World Environment Day Celebration

हरे भरे पेड है जहां धरती का स्वर्ग है वहां

विश्व पर्यावरण दिवस लगभग 100 से भी अधिक देशों के लोगों के द्वारा 5 जून को मनाया जाता है। इसकी घोषणा और स्थापना संयुक्त राष्ट्र महासभा के द्वारा

1972 में हुई थी, हालांकि इस कार्यक्रम को हर साल मनाने की शुरुआत 1973 से हुई। इसका वार्षिक कार्यक्रम संयुक्त राष्ट्र के द्वारा घोषित की गई विशेष थीम या विषय पर आधारित होता है।

इस अभियान का समारोह प्रत्येक वर्ष अलग-अलग शहरों के द्वारा आयोजित किया जाता है, जिसके दौरान पूरे सप्ताह अन्तर्राष्ट्रीय प्रदर्शनियाँ लगाई जाती है। इस अभियान के आयोजन के माध्यम से संयुक्त राष्ट्र लोगों को पर्यावरण के बारे में जागरुकता और प्रोत्साहन को बढ़ावा देता है। इस अवसर पर हमारे विद्यालय में सुविचार द्वारा वृक्षारोपण के लिए प्रोत्साहित किया गया तथा सभी कक्षाओं में शिक्षकों ने वृक्षारोपण का महत्व समझाया । छात्रों ने अपने लगाए पौधों के साथ तस्वीर लेकर अन्य छात्रों के साथ साझा की ।

इसे अधिक प्रभावी बनाने और वर्ष की विशेष थीम या विषय के उद्देश्यों को पूरा करने के लिए विभिन्न गतिविधियों और कार्यक्रमों का आयोजन किया जाता है। विभिन्न क्रियाएं: जैसे- निबंध लेखन, पैराग्राफ लेखन, भाषण, नाटक का आयोजन, सडक रैलियाँ, प्रश्नोत्तरी प्रतियोगिता, कला और चित्रकला प्रतियोगिता, परेड, वाद-विवाद, आदि का आयोजन किया जाता है। लोगों में पर्यावरण के प्रति जागरुकता लाने के लिए अन्य प्रकार की प्रदर्शनियों को भी . आयोजित किया जाता है।

यह कार्यक्रम इस पृथ्वी की सुन्दरता को बनाए रखने के लिए कुछ सकारात्मक गतिविधियों के लिए एक साथ कार्य करने की एक पहल है। हमें पूरे सालभर कार्यक्रम के उद्देश्यों को अपने ध्यान में रखना चाहिए और उन्हें वृक्षारोपण के माध्यम से आसपास के वातावरण को सुन्दर बनाने और साफ-सफाई, पानी की बचत, बिजली का कम प्रयोग, जैविक और स्थानीय खाद्य पदार्थों का उपयोग, जंगली जीवन की सुरक्षा आदि बहुत सी गतिविधियों को कार्यरुप में बदलना चाहिए। जीवन के लिए हमारे पास एकमात्र यही ग्रह है, यह हमारा घर है और हम सभी इसकी प्राकृतिक सन्दरता को सदैव के लिए बनाए रखने के लिए जिम्मेदार है।

> पथ्वी सभी मनुष्यों की ज़रुरत पूरी करने के लिए पर्याप्त संसाधन प्रदान करती है, लेकिन लालच पुरा करने के लिए नहीं.

Special Assembly Presentation on "World Day Against Child Labour" by Grade V

"Childhood is a part of a human life in which he/she enjoys the pleasures of life and parent's love and pampering, he/she is not supposed to be earning, making, building, or breaking stones at that very age." To raise awareness and to prevent child labor, "World Day Against Child Labour" is celebrated on 12th, June every year. Special assembly based on the theme of "World day against child labour was presented by the students of grade V. Anchoring was done by Ujesh who turned out to be a great anchor during the assembly. Pledge was administered by Harshith. Sai Kruthi enlightened us with a new thought. Words were told by Advim and Anutara. A beautiful poem was recited by Prithvi Raj. An inspiring article

was spoken by Navaneeth. The topic clearly delineated that how the children need to spend their childhood in devoting to studies instead of labour.

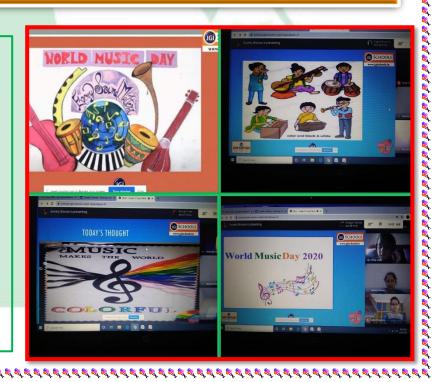

A beautiful power point presentation was displayed under the title 'Stop Child Labour'". The slides captured a few thought-provoking moments of the small children engaged as performing labours. The presentation had also a collage attached with it which introduced a thought-provoking message -- Say No to child labour. It distinctively portrayed and created awareness that "Let the children be in the classes and not in the glasses". Posters were made by many students of the class which were presented to all the students and teachers virtually through PPT. It was followed by a short message of responsibility and discipline delivered by the Principal Mrs Mona Mehdi to the students. She explicitly said that both the characteristics help one to grow up to be a good citizen. Overall, the assembly exhibited the speaking, drawing skills of students, and showed excellent coordination by students and planning by the assembly in-charge teachers.

Special Assembly Presentation on "World Music Day" by Grade V

"Music makes the world colorful".

The students of Grade V conducted a special assembly on the occasion of "World Music Day" on 20th June, 2020. During assembly students performed various activities including Shloka recitation, thought of the day, word of the day and a solo song performance. Arushi recited Shloka and Sai Kruthi sang a song.

The students discussed the importance of music in our day to day life, including how music can improve anyone's emotional state of mind.

International Yoga Day

This Covid 19 compelled and enforced every one of us to explore and experiment offbeat methods, to get things moving smoothly. Who, ever thought of having online school fulltime? Fortunately, with the grace of technology and the never give up attitude of the parents and students made the online classes as effective as physical classes. The students of grade III celebrated International Yoga Day on 22nd June, 2020 which started with morning prayers. Thought of the day was presented by Aaron and Word of the day was spoken by Medha. We concluded the morning assembly by practising yoga.

Special Assembly Presentation on "Father's Day" by Grade IV

Father's Day is the best time to say thank you to our fathers for all their love, support and sacrifice. Grade IV students celebrated Father's Day on 22-June. Ananya Shukla and Umika recited beautiful poems to thank them for being there every time a child needs them. Vallabha turned out to be a great anchor by taking the lead with full confidence and zeal. Anurag, Nathan and Umika prepared posters and expressed their love

through them. The full form of FATHER was expressed through a collage by Aadit, Ananya Srivastava, Jairaj, A Siri, Shaanyu and Shreyasi. Assembly ended up by a feedback by Mr Prashant, father of Shaanyu. Ms Mona Mehdi, Principal JHCS Kondapur and Mr Mahesh, Senior coordinator appreciated the students and their parents for their efforts.

Speech Competition for Grade VII and VIII

Topic: Environment before and after Covid 19

"You can speak well if your tongue can deliver the message of your heart.' - John ford

Speech is a unique human skill shared amongst people far and wide. It opens up vivid imaginations that runs wild in children and it also builds confidence and enhances speaking skills. An inter class speech competition was organised online by JHCS,KP

for the students of grade VII and VIIII on the topic 'Environment before and after Covid-19' on 12th June, as part of CCA.

The young vibrant orators came forth with wonderful speech deliveries on the given topic. Students had participated with great zeal and enthusiasm. Though the pandemic situation has changed the entire globe, the young orators are not affected in the expansion of their knowledge. These orators were ajudged by the efficient jury members of JHCS, Kondapur. On the whole it was a thought provoking, inspiring and motivating competition.

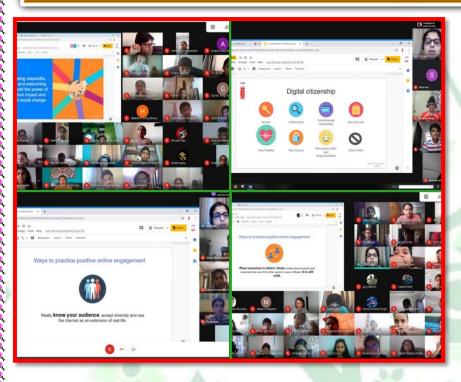

Special Assembly Presentation on "World Olympic Day" by Grade VII

I don't run away from a challenge because I am afraid. Instead, I run towards it because the only way to escape fear is to trample it beneath your feet. —Nadia Comaneci, gold-medal gymnast

"Determination & Coordination is the only key towards successful team work." This came true when the students of Grade VII conducted a special virtual morning assembly on the topic "World Olympic Day" on 23rd of June. Both the sections have worked together as a team and presented a melange of thoughts, ideas and expressions. All the students participated with full enthusiasm. This stands as a true example of showcasing the finest qualities by the present gene.

Session on "Online Safety and Security" by CSR India

"For every lock, there is someone out there trying to pick it or break in."

The internet has revolutionized the way human beings interact with the world. At the click of a mouse, anybody can access worldwide library of information, entertainment and social media. While the internet offers a fascinating way to connect to the world around us, it also presents new dangers. Keeping this as main theme the members from CSR India, conducted a two day workshop on 24th and 25th of June, for the students of grade VII to X on "Online Safety and Security".

They had explained in depth about Netiquette, importance of online manners, safety measures to be taken from online threats, tips for or authentication, stranger danger, 30 second rule that has to be followed, importance of securing our accounts which strong passwords etc. They also explained how one can use online wisely, productively and informatively. Students participated with utmost interest and shared their experiences. On the whole it was and informative, enriching and exciting workshop.

Poem Recitation Competition for Grade V and VI

"There is another alphabet, whispering from every

leaf, singing from every river, shimmering from every sky."...and that is called music.

A solo poem recitation competition was conducted for Grade V and Grade VI on 26th June, 2020 as part of CCA.

Participating in a poem recitation competition can be a good way to help build a child's confidence. The participants exhilarated with the feeling of performing live in front of the judges. The practice of reciting is thought by many to improve not only physical health by the practice of deep breathing, but also mental health by the emotional release and enjoyment poetry affords; and to develop personality. Children participated with full enthusiasm and recited the poems melodiously. Every bit of the competition had been enjoyed with their

wonderful presentation. Every lip hummed a tune of its own accord. The programme was followed by a short message of responsibility, confidence and discipline exhibited by the students during the activity by Mr Mahesh, Secondary coordinator and Ms Shuchita, Primary coordinator.

Assembly Presentation by Grade V Topic: "Health is Wealth" and "Food Habits"

"Good Seasons start with Good Beginnings."

Assemblies have always been a vital tool for interactive learning. Throughout the month of June, the students of grade V performed assembly enthusiastically. All the students took turns for the pledge, thought of the day and word of the day on the topics "Health is wealth" and "Food habits". The assembly was done in all the three languages - English, Hindi and Telugu. This enriched the vocabulary of the students and inculcated good, positive thoughts in them. They came up with rhythmic

poems, insightful thoughts and new vocabulary. Pledge taken every day led to the spirit of patriotism in the minds of young hearts. They sung the school prayer together. The topics chosen for the activities performed during the morning assembly developed the team spirit, cooperation and togetherness within the class students. In JHCS, Kondapur, we value the holistic development of a child which also includes mindfulness. So, every day the students started their day with a fresh mind with meditation. The students gained confidence in presenting the different sections of the assembly and utilized the assembly platform to showcase their skills and abilities. The assembly depicted their excitement, transcended their talents and efforts, and helped in building students' life. Thus, it was ensured that the skill and capabilities of all students gets utilized in one or other way in the assembly.

Assembly Presentation by Grade VI Topic: "We are, what we eat"

"Well begun is half done; The New Way"

As the world is learning to get used to the new normal, we at our School also has gone quite far ahead in getting adjusted to the Post Lockdown norms of daily life. Though confined to the four walls of our home we started our class with a morning assembly.

Students of grade VI conducted the morning assembly on the topic "We are, what we eat". It was all about to eat healthy and stay healthy, especially during this pandemic as it is, the need of the hour. To be energized and recharged throughout the day we started our

assembly with morning prayer followed by the school song. The anchoring, pledge, instigating thought, inspiring word, news and informative articles on the given topic were performed by the students with great zeal and enthusiasm. Though we are not physically together one thing is certain that the seriousness and timing of assembly had not changed. The morning assembly brought in a lot of discipline amongst all of us.

"Be thankful for each new challenge because it will build your strength and character."

Nature

Nature has a face That is blue and green, It is our responsibility To keep it nice and clean.

If it ever gets sad
And starts to cry,
Then Earth will become
Dirty and dry!

We must stop cutting trees
And start growing them,
We must tell Earth to stop crying
And stem the flam.

If Earth is happy
Then we can relax,
As Earth will protect us
Even from a volcano's cracks!

Friendship

Having you in my life
Completes and fulfills every part of
me

You helped my laugh
And dried my tears
Because of you
I have no fears
You are always there for me

When my spirit needs a little lift
I cannot thank you enough for that
You are truly an extraordinary gift

for me

Thank you for all the memories
That I will hold so dear in my heart
And as time goes by new ones will
form

But old ones shall never depart

My life is yours My heart I give

Until we die

and while we live

Life after Lockdown

Life after lockdown

No soul out in the town

Staying at home I've turn into a clown

For all my activities it's a total knockdown

My day begins at six

With an emotional mix

To attend the virtual class

As an alternate time pass

I'm missing my afternoon fun

Under the bright sun

I want to spend time out

But I can't which makes me shout

My patience has come to an end

I still remember those days how I used to spend

My mind is always with a thought

Of what I was taught

Lots of time with my family

Fills me with enormous glee

My family and friends can't see me

As social-distancing is the key.
