Special Assembly Presentation on "World Coconut Day" by Grade II

नारियल तो खाते हैं... पर उससे सीखते बहुत कम लोग हैं...

कितना सख्त होता है न ऊपर से, पर अंदर से एकदम नरम।

बस कहनेका मतलब यही है की:- बेशक बहार से कठोर बनिए.... पर अंदर से नहीं, अपने अंदर वही नारियल जैसी नरमी और इन्सनियतको जिंदा रखिए।

World Coconut Day is observed on 2nd September every year by the Asian and Pacific Coconut Community (APCC). World Coconut Day 2020 aims to encourage investments and promote the development of the coconut industry in the member countries of APCC. The World Coconut Day is celebrated to make the people understand that Coconut has a vital role in poverty reduction.

The class II students presented a special assembly on World Coconut Day recently and displayed their creativity with great enthusiasm. Anchoring was done by Aashrith and Alisha who turned out to be great anchors during the assembly. Pledge was administered by Maitreya. Atharva enlightened us with a new thought. Words were told by Ramnarayan. An inspiring article was spoken by Shiva Kesava and Rachit. A beautiful poem was recited by Ayaan. A lovely dance performance was shown by Charvi and Pranavi on the theme around coconut. Manyam Mokshit presented the names of the recipes which are prepared with coconut as an ingredient. Everyone enjoyed the rhythmic and melodious song sung by Hrushikesh. T.Tanvi shared the importance of coconut in Hindu marriage. Anasuya spoke about the health benefits of coconut for a healthy life. The assembly concluded with a message on the importance of coconut consumption for a healthy life.

Assembly Presentation by Grade I Topic: "Acharya Devo Bhava"

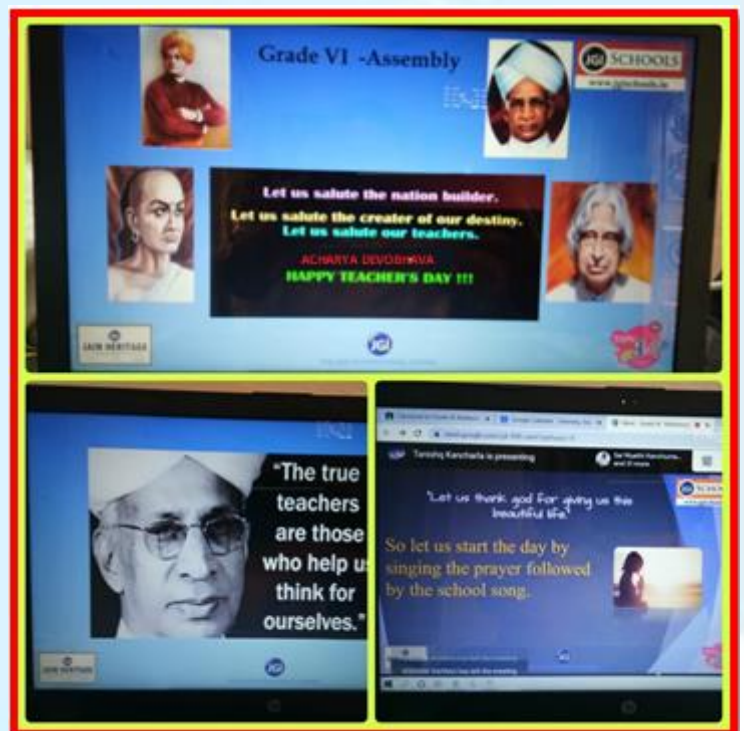

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. Probably it's the first platform that is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. Keeping up with the same the students of Grade I conducted their assembly from 2nd to 5th September 2020. The topic of the assembly was 'Acharya Devo Bhava'. The assembly commenced with the

Prayer which is believed to provide peace and serenity to our minds and souls. It included school song, pledge, thought for the day, word for the day, speech, and poem recitation by the students which were very impressive. Pledge was taken by Tejas, Dheekshith, Sanchi, Aarohi, Mythili. Thought for the day was presented by Poojitha, Rishab, Swara, Kushi, and word for the day was given by Rudra, Reyansh, Zohan, Jeevan, and Prakruthi. The meaning of the word was explained with the help of a sentence. The assembly was concluded with exercises and meditation which makes them happy and healthy. It was a pleasure to see them performing so confidently and joyfully on the stage. Ms. Pujitha and Ms. Shoba thanked all the students for their diligence, sincerity, and hard work. Indeed, it was a special start to a delightful day!

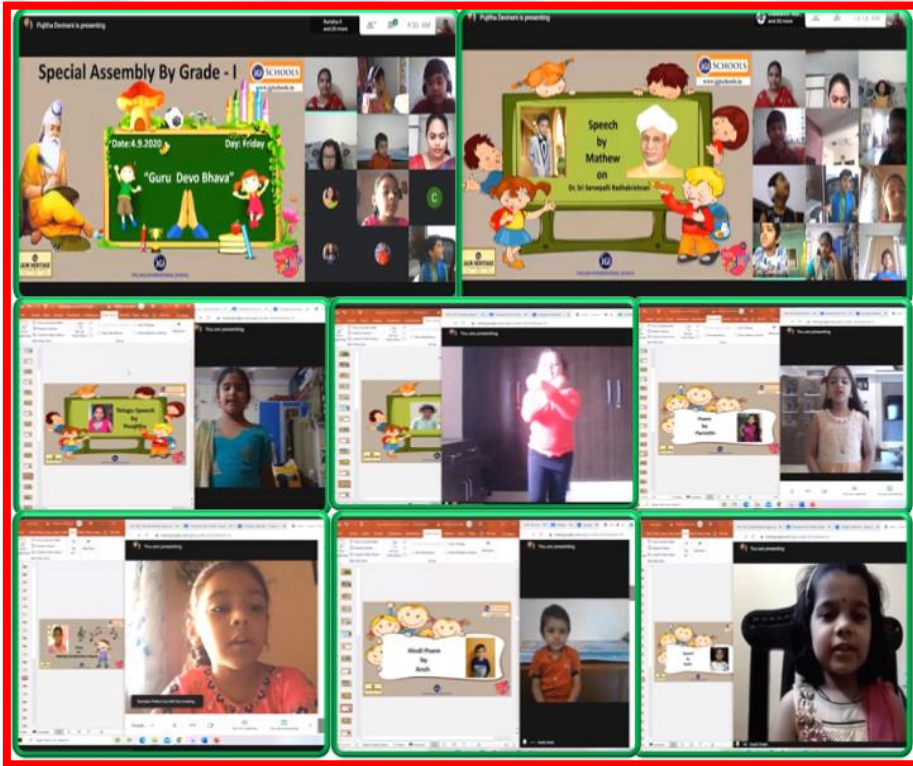

Assembly Presentation by Grade VI Topic: "Acharya Devo Bhava"

"A Guru is not the one who holds a torch for you he is the torch" He is the inspiration; he is the aspiration. Students of Grade VI conducted the morning assembly from the 2nd of September 2 to the 5th of September on the theme, "Acharya Devo Bhava". The assembly was presented with respectful thoughts paying respect to our gurus for instilling values, morals, and ethics in us. The students had praised the efforts of our mentors for standing with us during this pandemic and still playing their role by supporting us emotionally too, through our articles, poems and songs. Every one of us saluted to the wonderful efforts made by every teacher for their struggle to reach us and teach us effectively irrespective of the various challenges.

Special Assembly Presentation on “Gurudevo Bhava” by Grade I

“A good teacher can inspire hope, ignite imagination and instill a love for learning”.

Teacher’s day is a very important day for every student as they get to thank their mentors for all the hard work and effort, they put in to shape their personality. A special assembly was conducted by the students of Grade I on 04.09.2020 to make their teachers feel good and special. The two narrators, Saharsh and Nayan Karthikey of Grade I took us through the assembly with enthusiasm and confidence!

They began with a Kabir Doha to acknowledge their teachers: -

गुरुगोविंद दोनों खड़े, काके लागूं पाँय ।
बलिहारी गुरु आपनो, गोविंद दियो मिलाय ॥

The narrators explained that the Doha places the Teacher higher than even God himself. It states that it is only because of what one learns from the Teacher that one sees God!

Followed with a soulful rendering of the prayer, school song, Pledge, thought and word highlighting the contribution of teachers in a student’s life. September 5 is dedicated to Dr Sarvepalli Radhakrishnan – the second President of India who was a great academic philosopher and one of the most well-known diplomats, scholar, President of India and above all a teacher. This was followed by a song titled “You have made a difference”, highlighting the contribution of teachers was sung by Mahitha along with her mother. It was dedicated to teachers who are considered to be the second parents of students. They mould their life with love, affection, dedication and hard work. The lyrics of this song was soul-stirring, leaving the students and teachers in awe.

A splendid dance performance was presented by Achyutha. Her little moves mesmerized everyone. A PowerPoint presentation on the life of S. Radhakrishnan was presented by Celestin Mathew of Grade I. A beautiful poem highlighting the importance of a Guru (teacher) was recited by Ansh Shah. Poojitha then spoke briefly on the importance of Teacher’s Day in Telugu. Kushi delivered her speech on Gurudevobhava in English. Parinithi recited an endearing poem, ‘Teachers for all seasons’. Kushi spoke on ‘The Number One Teacher.’ Students also presented their amazing artwork prepared for this special occasion as their token of love for the teachers. The students of Grade I- Garima Jain and Sanchi Jain enacted as Dhronacharya and Eklavya. The act had been our popular entry at a recent virtual assembly.

The Academic Director, Dr Lakshmi Rao appreciated and congratulated students, teachers and parents for their efforts and she enjoyed the assembly thoroughly which was presented by our tiny tots. The Principal, Ms Mona Mehdi addressed the teachers, students and parents with her inspiring words. She thanked all the students, teachers and parents for their diligence, sincerity and hard work. Ms Shuchita Malhotra congratulated the teachers and students of Grade I for putting up such a heartwarming show. She told the children that the best Teacher’s Day gift they can give their teachers is their best behaviour at school and outside!

The show concluded with the national anthem played on the keyboard by Anagha. The energy of the children charged the assembly and their teachers felt feted. All in all, it was an eventful day which was enjoyed equally by teachers and students. Indeed, it had been a special start to a delightful day.

Teachers' Day Celebration

“A good teacher is a master of simplification and an enemy of simplism.”

A Teacher is someone who acts as a guide and an inspiration to people – both young and old. He/she is charged with the responsibility of creating awareness as well as opening the mind of people by instilling values, morals, and ethics. They shape our minds as how a potter moulds the earthen pot. We annually celebrate their contribution to the development of society in the form of Teachers' day.

On 5th September 2020, the students of grade X got a sterling opportunity to take up the responsibility as student-

teachers. They had conducted exemplary activities from grade I-V and provided a quick revision of chapters for grade VI-IX. A PowerPoint presentation was also provided by the students about the activities. The students from all grades participated in the activities with zeal and enthusiasm. It was indeed a heartfelt moment for all of us being a student-teacher. It was a thoughtful day and all the students were proud to be JGlans!

Poetry Recitation for Grade I to III

“Poetry is when an emotion has found its thought and the thought has found words” -Robert Frost

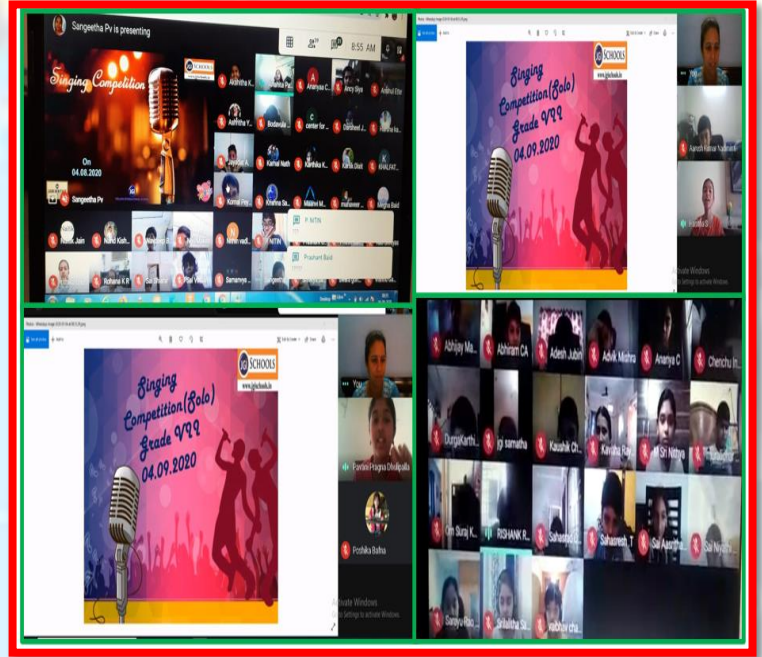

As we all know, the poem recitation for young students is meant for enjoyment. It is a beautiful way to express something through innocent words and actions in a melody with all smiles and giggles. This is what all our tiny scholars of Grade I, II, III did on 3rd September 2020 with lot of confidence and energetically presented in front of everybody and spoke loudly to mark their presence felt. Beauty is the realm of poetry.

The children enjoyed the beauty of expressions, thoughts, feelings, rhyme, rhythm, and music of words. They got an opportunity to exhibit their talent and confidence. They chose a variety of topics for their recitation like nature, trees, animals, flower, mother, teacher, etc. and spoke with a lot of zeal and enthusiasm. One could see and feel the enthusiasm that the children had in their presentation. A variety of interesting rhymes with a good introduction of themselves had flown in a melody from the young ones. Everyone was delighted after seeing participants' pleasing performances, and appreciated and applauded the same.

Solo Singing Competition for Grade VI to VIII

Music is the piece of art that goes into your ears and straight to heart. Music is the greatest communication in the world. Even if people don't understand the language that you're singing in, they still know good music when they hear it. To promote singing talents in the school, a singing competition was organized for Grades VI, VII and VIII as a part of CCA. The competition was held on Friday, 4th September.

The students eagerly participated in the competition. The budding singers put up an amazing show with their melodious voice and mesmerized the audience and the judges. The participants were judged on their pitch, tone, lyrics memorization, rhythm and general impression. All the performances were greeted with a loud round of applause. Each one of them sang with the same zeal and enthusiasm.

Assembly Presentation by Grade IX Topic: "Famous Failures"

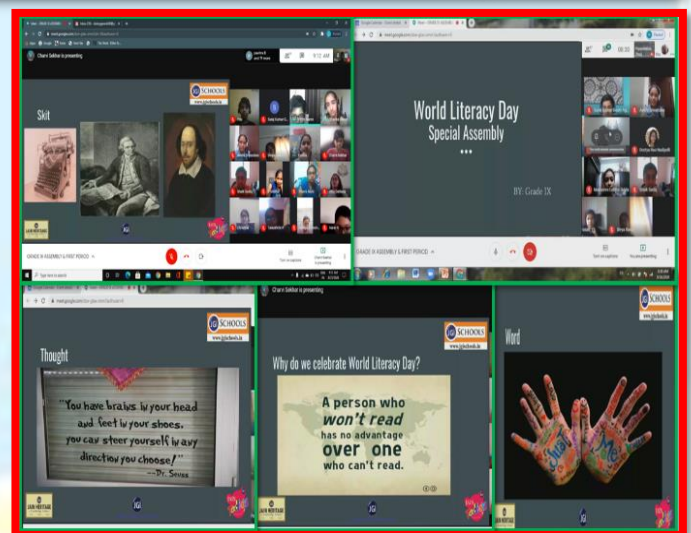

"Sometimes by losing a battle, you find a new way to win the war". Students of Grade IX conducted assembly on the topic "Famous Failures" from 7th to 11th September, 2020. The message of the topic was shared by the students through articles and captivating thoughts. As always, it's good to enhance our vocabulary so students came up with new words. It was a bright assembly to start our day with. Overall, it was a great assembly which conveyed the message of "Famous Failures".

Assembly Presentation by Grade II Topic: "Famous Failures"

“Failure is not permanent experience; you must rise above it and choose to be better than you were a moment ago. Changing and growing is what makes you famous”.

Assemblies are an integral part of the growth and orientation of the students. They play a pivotal role in the cultivation and sustenance of values; preparing the child to appropriate crucial roles in the future. The students of Grade-II conducted the morning assembly on the topic “Famous Failures” from 7th to 11th September 2020. Different days of the week were allotted to each student to present in the assembly.

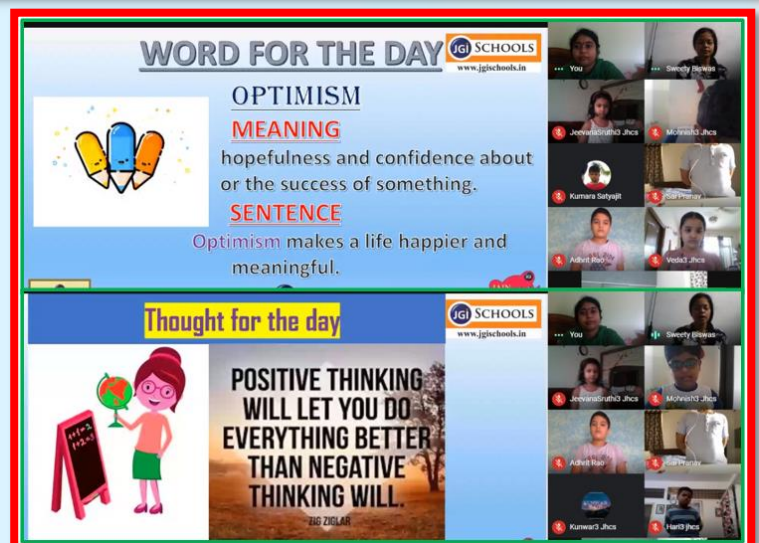

The day started enthusiastically with a prayer followed by the school song. Pledge was administered by Siddhidatri, Srikar, Mohana Priya, Jaideep, and Narsimha; followed by an enriching thought by Hrushikesh Sanvi, Anika, Venya Sitara, Alisha; and to enhance the vocabulary, word of the day was presented by Jaya Siva, Amrutha, Ayaan, Kaushik, Manyam Mokshita. These activities enriched the vocabulary of the students and inculcated good, positive thoughts in them. They came up with rhythmic poems, insightful thoughts, and new vocabulary that were shared with all in the assembly. The students understood that “There is nothing impossible in this world; it is only wanted determination that brings about failures”. Mrs. Meghana & Mrs. Satya emphasized the significance of Famous Failures through a quote saying “Do not be embarrassed by your failures, learn from them, and start again.” The assembly was concluded by an energetic exercise and a mindful meditation. The assembly was concluded with an inspiring quote.

Assembly Presentation by Grade III Topic: "Power of Positive Thinking"

“Things turn out best for the people who make the best of the way things turn out.” – John Wooden

The assembly on the topic “Power of positive thinking” provided the students with strategies to think more positively. It gave a metaphor that positivity is like a huge jar of Nutella, and they can dip their finger in whenever they wish to pull out something. Students of Grade III took the charge of conducting the assembly from 14th to 19th September on the topic “Power of positive thinking” under the guidance of Ms. Swapna and Ms. Sweety. The day started enthusiastically with the Morning Prayer followed by School song.

Srivardhan, Meeha, Bhavya, Jeevanasruthi, Rishi shared the positive thoughts to give a positive start of the day and the oath was administered by Ciril, Kruthika, Agamyaa, Mokshaa, Harikrishna. Aishwarya, Satyajit, Sai Pranav, Sai Aadya, Bhavesh, Amogh explained the personality traits such as optimism and pessimism which can affect many areas of our health and well-being. The positive thinking that usually comes with optimism is a key part of effective stress management. The students understood that positive thinking can make them feel good and boost their confidence. It was a well-planned assembly which inculcated values in the young hearts. Overall, the assembly was conducted smoothly and everyone was enthralled by the impeccable performance of the students.

Special Assembly Presentation on “Engineers Day” by Grade VII

“With Engineering, the word
“supernatural” has lost its
significance. It is a magic union of
science and intelligence”.

The students of Grade VII celebrated
“Engineers’ Day” on the 15th of
September as it marks the Birth
Anniversary of the visionary engineer
Mokshagundam Visvesvaraya who
was awarded with the highest civilian
honor-Bharat Ratna for his numerous
industrial, economic and social
projects. He was the Chief Designer of
the Flood Protection System designed
and built for the city of Hyderabad, as
well as the chief engineer responsible

for the construction of Krishna Raja Sagara Dam in Mysore. The assembly started with the prayer
followed by the school song. Students enacted as famous and hardworking engineers from India
depicting how each of them have sacrificed their lives for the upliftment of this country. They also
inspired their fellows to pursue the profession. Overall, it was a motivational assembly.

Assembly Presentation by Grade VIII Topic: "Power of Positive Thinking"

"There is nothing on earth that you cannot have, once you have mentally accepted the fact that you can have it."

Positive thinking is a mental attitude that admits into the mind, thoughts, words and images that are conducive to growth, expansion and success. The students of Grade VIII conducted the morning assembly on the topic "The Power of Positive Thinking" from 14th to 19th September. The students presented articles and poems on the topic. Ms Komal delivered a speech on the importance of positive thinking and shared an intriguing story to inspire the students. The students understood that life is not a bed of roses. Each person has to face difficult situations in his life. If one becomes

fearful and apprehensive about the results, feelings of frustration, depression and disappointment will enter his mind and hinder his normal life. The students realized that a positive mind anticipates happiness, joy, health and a successful outcome of every situation and action. Whatever the mind expects, it finds. Overall, the assembly motivated the students to accept and believe in positive thinking.

Assembly Presentation by Grade IV Topic: "Building Bridges"

"We build too many walls but not enough bridges" - Isaac Newton

Grade IV conducted morning assembly on a very significant yet often neglected topic "Building Bridges" from 21-Sep-2020 to 25-Sep 2020.

Revolving around the topic, multiple beautiful messages were shared during assembly to encourage the students to build a positive relationship with everyone instead of cutting off relations because of silly conflicts. We were also reminded of the key principal of Karma - Life is very simple, what we give, we get back.

Our Learnings –

- **Building bridges i.e. good relations makes us happier and more fulfilled.**
- **We feel more supported and connected.**
- **As humans, the relationships we form with other people are vital to our mental and emotional wellbeing, and our survival.**
- **Our relations make us stronger, stable, and empathetic.**
- **By building bridges, we become less lonely and less neglected.**

The enthusiastic participants of the assembly were - Shreyasi, Veekshita, Veeksha, Shiven, Aadit, Hasika, Ananya Pulluri, Anurag, Nathan, Siri Palakruti, Nainika, Y.Ashrith, Vallabha, Sannidhi, Ananya Shrivastava, A.Siri, Sameeksha, Rishikant, Parthiv, Suhas . Overall, it was an informative assembly.

Special Assembly Presentation on “International Ozone Day” by Grade V

“Suraksha kavach hai vo humara
Hai vo humare jeene ka sahaara
Use nuksan na pahuncha o Insaan
Uske mitate hi kho dega tu apne praan.”
Ozone is like a “Mother” for planet Earth,
who protects her child from harmful
radiation.

The slogan of the day, ‘Ozone for life’,
reminds us that not only is ozone crucial for
life on Earth but that we must continue to
protect the ozone layer for future
generations. World Ozone Day is observed
on September 16, every year. It is celebrated
to spread awareness among people about
the depletion of the Ozone Layer and search
for possible solutions to preserve it. On this
day, people from all over the world are
expected to join the Montreal protocol to

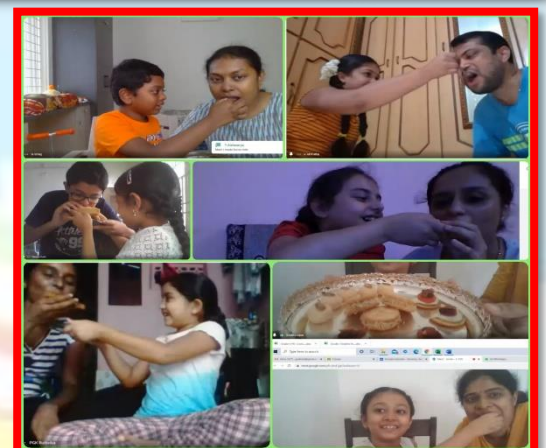

join the talks and seminars. Many commonly used chemicals are extremely damaging to the ozone layer. Life on Earth would not be possible without sunlight. This stratospheric layer shields Earth from most of the sun’s harmful ultraviolet radiation.

Students of Grade V conducted the special assembly on the topic “International Ozone Day” on 16th September. Rohitha was the anchor of the day. Ujesh administered the pledge. Thought and word were spoken by Advim and Mahitha respectively. The thought and the word conveyed the critical message that we need to protect the Ozone layer to save life on earth and Earth without ozone is like a house without a roof. Prithvi Raj sang a melodious song – “United with friends, I will save the earth” accompanied by a piece of beautiful music on the piano. Sai Kruthi, Vanaya, Arushi, Durva spoke about the significance of ozone for planet Earth and the harmful effects of the depletion of the ozone layer. Anutara gave wonderful tips on how to protect ourselves from UV radiation. She gave a simple analogy that Ozone is like an umbrella that protects us and in case of any holes in Ozone, the harmful UV rays reach Earth and can cause harm to humans. All the students of grade V actively participated in the assembly. Beautiful and bright posters were made by all the students.

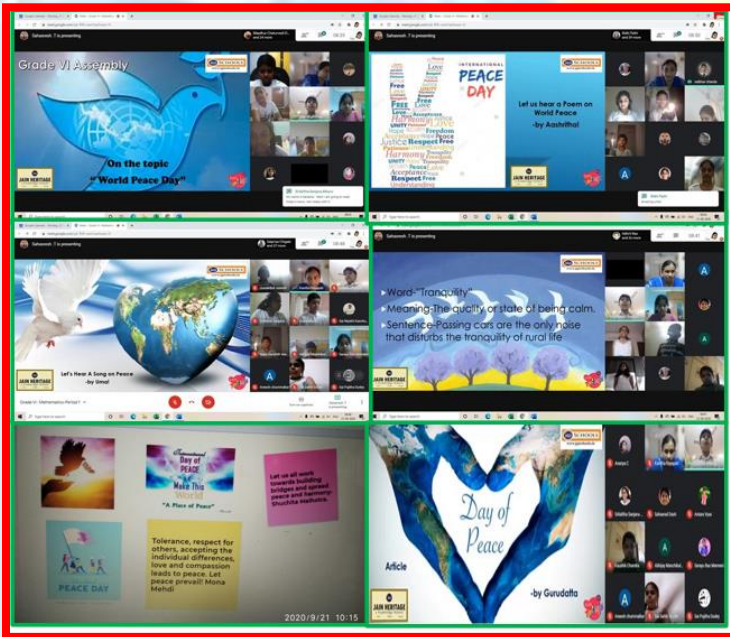

Ms. Shuchita, the primary co-ordinator appreciated the enthusiasm shown by the students. She explained and elaborated on the point, how the young generation should take steps to protect nature and thus protect the future of all the inhabitants of our planet Earth. Through the presentations in the assembly, the students understood that the Ozone layer is a delicate layer of gas, in the Earth’s stratosphere which absorbs most of the Sun’s ultraviolet rays. Also, human beings need to preserve this layer- Life depletes when Ozone Depletes... So, to save life save Ozone.

Fireless Cooking Activity for Grade III

"Fire less" cooking activity was conducted for Grade III on 19th Sep, 2020. Students participated with great enthusiasm and prepared various healthy dishes without fire. Parents/grandparent/siblings also joined in the activity by tasting the dishes and appreciated the project.

Special Assembly Presentation on “World Peace Day” by Grade VI

“If we have no peace, it is because we have forgotten that we belong to each other.” - Mother Teresa,

To sow the seeds of peace and nurture them with love at a tender age and to sculpt the global citizens, students of Grade VI celebrated World Peace Day on 21st September 2020. Gokshetra invited everyone with her gracious angel appearance to the assembly.

The assembly inspired everyone with the poems sung by Sahasradh, Aasritha and Narasimha. The students delivered touching thoughts, and a melodious song "Light a Candle for Peace" was sung by Uma during which the students expressed their love for

peace by lighting the candles. The students also had put their wishes for World Peace on a Jam Board where our Principal Ms Mona Mehdi also participated. She posted her wish for world peace as,

"Tolerance, respect for others, accepting the individual differences, love and compassion leads to peace. Let peace prevail!" -Mona Mehdi

All together the program was wonderful with an active participation of students and teachers.

Assembly Presentation by Grade X Topic: “Building Bridges”

“Understanding languages and other cultures build bridges. It is the fastest way to bring the world closer together to Truth. Through understanding, people will be able to see their similarities before differences”.

Students of Grade X conducted the morning assembly on the topic - Building Bridges from the 21st of September to the 25th of September,2020. The assembly emphasized on the key factors for building progressive relations and environment for overall growth of an individual. Students took pledge with utmost pride every day. The students enhanced the importance of developing hope and having faith in everything they do through articles, poems, emotional and inspiring thoughts. News along with weather report was also shared by students. The PET Sir guided the students' everyday with different workouts so that students are all warmed up & ready for the classes. Overall, it was an enthusiastic assembly that taught important values to develop one's skills and gain knowledge while surrounded by supportive and integrated community.

Spell Bee Competition for Grade IV & V

“Spelling is important because it aids in reading. It helps cement the connection that is shared between sounds and letters.”

A spelling bee is a competition in which contestants should know and should be able to speak/write/select spelling of a broad selection of words, usually with a varying degree of difficulty. To compete, contestants must memorize the spellings of words as written in dictionaries. A Spell Bee

Competition was organized for grade IV and V on 24th September. This competition is one of the numerous enjoyable competitions that give students a platform to learn spellings in different ways. This competition helped students improve their spellings, increase their vocabulary, learn concepts, and develop the use of correct English. The students participated in the competition earnestly.

Special Assembly Presentation on “World Tourism Day” by Grade VIII

Travel makes one modest. You can see what a tiny place you occupy in the world.

Unlike our predecessors, we can affordably and in a shorter time travel across the world in large numbers comparatively safe. Tourism is one of the biggest and fastest-growing industries globally, its benefits, and the challenges, keenly observed by governments affect the economic, socio-cultural, environmental, and educational resources of nations. World Tourism Day is commemorated each year on 27th September. The 2020 edition of World Tourism Day, with the theme of “Tourism and Rural Development”, will celebrate the unique role that tourism plays in providing opportunities outside of big cities and preserving cultural and natural heritage all around the world.

The students of Grade VIII created a tremendous effect through their mesmerizing execution of the Virtual Assembly on the topic “World Tourism Day” on 25th September. It was a very informative, enriching, and interesting assembly where students showcased their creativity and shared their thoughts through Articles, poem, music and folk dance of a particular country, etc. In short, they had a virtual tour around the world. The students also learned that “Fools wander, a wise man travels” and understood the significance of World Tourism Day”. The honorable Academic director and our beloved principal graced the assembly with their presence and addressed the children. Overall, the assembly had given a nostalgic virtual experience.

"Tourism helps rural communities hold onto their unique natural and cultural heritage, supporting conservation projects, including those safeguarding endangered species, lost traditions or flavours," says Zurab Pololikashvili, the UNWTO Secretary-General.

World Rabies Day

Celebrating World Rabies Day is an integral part of our academic calendar at JHCS KP. In fact, we dedicate an entire week just before the Day. The students of grade 10 helped to increased awareness of the Rabies Virus by presenting PowerPoint presentations to the students from grade 1 to grade 10. The students explained

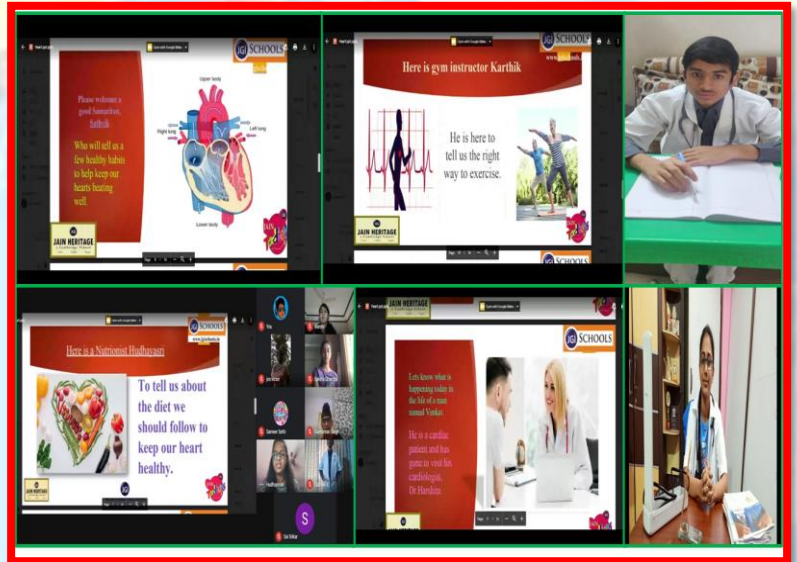

various topics regarding rabies such as what is it, how to identify an individual who has the virus, how to prevent it, the dangers of the virus, what our government is doing about it, and the history of the virus itself. The students also performed and recorded a short video-skits about a girl who was bitten by a rabid animal and her case. The audience of all the grades listened to the presentation keenly and attentively. The students also attended to the doubts of the audience related to rabies calmly and clearly. The students also saw another video regarding the awareness of the rabies virus from APCRI shared by our CEO sir. To end the presentation, the students also held a short quiz to test the audience's knowledge about rabies. Overall, all the students and the audience understood the main concepts of the virus and how to prevent Rabies in humans and pets.

Special Assembly Presentation on “World Heart Day” by Grade X

“Never lose your heart in any situation, it is the best way to deal with all kinds of problems.”

On the 29th of September students of Grade X conducted a special morning assembly on the topic -"World Heart Day" to raise awareness on the importance of keeping our hearts healthy. It was a different and interesting assembly held to inspire everyone to make small changes that can make a big difference to our heart. Students took roles as a Nutritionist, Gym Instructor, and Good Samaritan. The conversation between a Cardiologist & her cardiac patient passed valuable information regarding Heart health to others besides being very entertaining. Students told the pledge with strength, followed by thought for the day & word of the day that were related to "World Heart Day". Overall, it was a fervent assembly that shared the meaning, idea and significance of "World Heart Day".

Assembly Presentation by Grade V Topic: “Care Your Heart”

“Heart Disease Let’s Defeat, Keep a Healthy Heart Beat”

Grade V conducted morning assembly from 28th September to 30th September on the topic Care for your Heart. Heart health is important for everyone. World Heart Day is an annual event which takes place on 29 September every year. Each year’s celebrations have a different theme, reflecting key issues and topics relating to heart health. This year the theme is creating heart-healthy environments. This will help in improving health across the world by encouraging people to make lifestyle changes. Some

of the factors which count for heart diseases are lack of exercise, overeating, unhealthy eating diet, high blood pressure, and cholesterol.

The students participated in the assembly with zeal and enthusiasm. Mary Jessica and Sujana anchored the assembly and held the whole program together. Pledge was administered by Anutara and Ujesh. A thought apt for the occasion was spoken by Aryaveer. Vanya improved our vocabulary by adding a new word. The students understood the importance of a healthy heart and learned actions they can take to live a heart-healthy life. Tips for leading a healthy life were given to the students. Start small and work your way up to the recommended ten minutes of physical exercise per day. Through the assembly presentations, awareness of eating healthy food, daily exercise, and avoiding junk food was articulated to the students. Some key points covered as part of the session included:

Cardiovascular disease is the world’s number one killer today. But it doesn’t need to be this way.

By making just a few small changes to our lives, we can reduce our risk of heart disease and stroke, as well as improving our quality of life and setting a good example for the next generation. It’s about saying to yourself, the people you care about, and individuals all around the world: “What can I do right now to look after my heart ... and your heart?” Because we believe every heartbeat matters.

MY FAVOURITE TEACHER

Her Eyes are black
Her cheeks are pink
She smiles like a fairy
With a lovely wink
She taught me everything
And with help from her
And her magical English
My fear was gone in a blur
She encourages me
As much as she can
And I write poems
Which will one day be read by
USA, Syria and
Bhutan
This magical poem
Is for my dear Anunidhi ma'am
Who stood by me
Patient and Calm.

Ananya Nair, class VI, Jain
Heritage A Cambridge School,
Kondapur

My best teacher

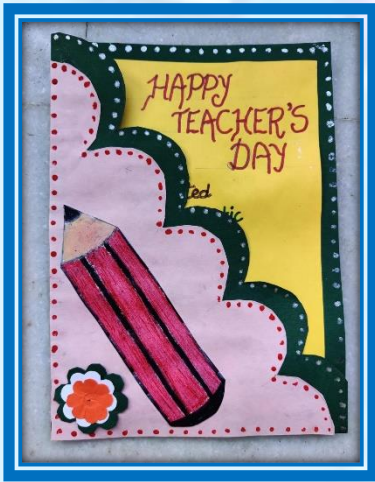

You taught me everything, Studying, drawing and to sing
You are the best, teacher
Like an angel to him and her.

There are many ambitions which are nice
Like a cook and harvester of rice
but I feel the best is yours.

Every day I think that, What I would do
Without you, Thank you
teacher, for everything.
