The greatness of a culture can be found in its festivals.

The word Ugadi has derived from the Sanskrit word – “Yug” means era and “Aadi” means beginning. So, the festival Ugadi marks the beginning of a new year and it is mostly celebrated in the states of Andhra Pradesh, Telangana, Karnataka, Maharashtra, etc. And this year, Ugadi is celebrated on 2nd, April 2022.

It is assumed that Lord Brahma, the creator of the world began His creation on this day. The first day of bright half of the lunar month Chaitra is considered to be the day for Ugadi celebration, which generally falls in the months of March – April of the English calendar. The festival of

Ugadi also welcomes the spring season when nature seems to be immersed in the festive mood and new leaves and new buds along with fresh breeze of spring manifold the Ugadi spirit.

The students of primary section of Jain heritage a Cambridge school conducted the special assembly on the occasion of “Ugadi”. The day

started enthusiastically with prayer followed by a school song. Pledge, word for the day and thought of the day was presented by students. Students performed beautiful dance and some students presented an article on Ugadi and Gudi Padwa. Even parents participated in the special assembly and shared their views and explained the importance of the festival. “Ugadi Pachchadi” is one such dish that has become synonymous with Ugadi. It is made of new jaggery, raw mango pieces, Neem flowers and new tamarind. The inner significance of this preparation is to indicate that life is a mixture of good and bad, joy and sorrow and all of them have to be treated alike.

Special Assembly Presentation on World Autism Awareness Day by Grade X

“Autism is like a rainbow. It has a bright side and a darker side. But every shade is important and beautiful.”

—Rosie Tennant Doran

The United Nations General Assembly unanimously declared 2 April as World Autism Awareness Day to highlight the need to help improve the quality of life of those with autism so they can lead full and meaningful lives as an integral part of society. The term ‘Autism Spectrum’ refers to a range of characteristics. Appropriate support, accommodation, and acceptance of

this neurological variation allow those on the Spectrum to enjoy equal opportunity and full and effective participation in society. The rate of autism in all regions of the world are high and the lack of understanding has a tremendous impact on individuals, their families and communities which is why this subject was taken up by the UN, and by numerous schools trying to provide their students with proper scientific information behind the word ‘Autism’.

On the 4th of April, 2022 the students of Grade X conducted a special assembly on the beautiful topic - “World Autism Awareness Day”. The assembly began by praying to the lord almighty for a truly sublime day ahead. The prayer was later followed by the school song, showing our pride towards our school. Then followed was the pledge which was taken with loyalty and veneration towards our nation. After which, a refining and illuminating thought was conveyed. Students were also presented with a succinct new phrase, which significantly elevated their vocabulary. Latterly, students were enlightened with an erudite and riveting article and poem, which completely rejuvenated their way of thinking. We were then presented with a skit that truly helped us understand the problems that are faced by individuals on the spectrum and opened up the minds of the students a bit more. Students were updated on what was happening around us, with the news headlines. It was a very exemplary and alluring way to begin and bring high moral value to our mornings. At the end of the assembly, we all proceeded to relax with a meditation guide which was accompanied by remedial background music. And, finally, the assembly culminated with the national anthem. As an entirety, the assembly was truly discerning and helped us understand the true meaning behind this wondrous day.

FIT KP MOVEMENT

Fit India Movement is a nationwide movement in India to encourage people to remain healthy and fit by including physical activities and sports in their daily lives. Fit India Movement was launched by Prime Minister of India Narendra Modi at Indira Gandhi Stadium in New Delhi on 29 August 2019.

“Healthy man means healthy family which ultimately leads to healthy society. This is the only way to new India.”

– Prime Minister Shri. Narendra Modi

Taking inspiration from this, Teachers and Students of Grade IV - VII of Jain Heritage A Cambridge School, Kondapur conducted FIT KP MOVEMENT on 7 April, 2022. All the students participated enthusiastically and presented different yoga asanas, Zumba dance, and other fitness techniques.

Class In-charges Ms. Jyoti, Ms. Anunidhi encouraged the students to bring exercise into a daily routine and devote a minimum of one hour per day to fitness activities such as exercise, yoga, meditation, walking, cycling, aerobics, and dance.

Special Assembly Presentation on International Day of Sports for Development and Peace by Grade IX

The International Day of Sport for Development and Peace was first celebrated in 2014 after the United Nations General Assembly passed a resolution for the same in 2013. The day is celebrated as an opportunity to recognize the positive impact of sports and physical activities in the lives of people and communities across the world. In order to inculcate a positive feeling towards sports and physical activities amongst students grade IX conducted a special assembly on the topic “International Day of Sports for

Development and Peace” on the 6th of April. Prayer is the communion between God and us. The assembly began by chanting the prayer followed by the prestigious school song. Pledge was administered with pride which has developed a patriotic feeling in all of us. A stunning word that was shared on the given topic made students enhance their vocabulary. Stimulating and intriguing thought that was shared took all of us deeper into the topic. An educative and illuminating article that was shared had recreated, and developed a positive approach towards the topic. An engrossing and fascinating quiz that was conducted on the topic made students more energetic. Students were updated with the news headlines of the day. To have a calm, peaceful, and balanced day meditation was conducted with conciliate music. Overall, the students celebrated this day with full enthusiasm and curiosity to learn more about the importance and significance of sports. Students enjoyed this day as it made everyone realize that “Sport has the power to change the world. It has the power to inspire, it has the power to unite people in a way that little else does.

Special Assembly Presentation on World Health Day by Grade IV

“It is health that is real wealth and not pieces of gold and silver.”

– Mahatma Gandhi

World Health Day is being celebrated every year on the 7th of April to symbolize the importance of Good Health. This celebration has aimed at creating awareness on a specific health theme every year which highlights the prime area of concern for the World Health Organization (WHO).

A Special Morning Assembly was conducted by the students of Grade 4 on 07

April ‘2022, to commemorate the HEALTH DAY CELEBRATION. The assembly started with the prayer, followed by the school song. All the students participated very enthusiastically in the assembly. As the theme of the assembly was HEALTH DAY, all the programs presented in the assembly were as per the theme. Each activity demonstrated and promoted awareness about health. The objective of this special assembly was to make the students aware of the significance and importance of celebrating HEALTH DAY and to make them understand the meaning of healthy living.

The anchor Mokshita and Charvi of Grade 4 took us through the assembly with enthusiasm and confidence. Pledge was administered by Siddhidatri. Word and thought for the day were articulated by Srikar and Advait respectively. It was delightful to listen to Aashi Priya and Alisha who recited an English poem and a Hindi poem respectively.

Through an article, Ayaan conveyed the message to all to be responsible for health. Kyra explained the importance of healthy mind and body by some unknown facts.

The students used beautiful props, cards, and posters to give their presentations and it was a learning experience for all involved. The children participated with full zeal.

Assembly Presentation by Grade I Topic: WELCOME BACK AND FRESH START

**“Be willing to be a beginner every single morning.”
— Meister Eckhart**

Each day holds a surprise, but only if we expect can we see, hear, or feel. when it comes to us, let's not be afraid to receive. It might come to us as sorrow or as joy. It will open a new place in our hearts, a place where we can welcome new friends and celebrate more fully our shared humanity.

The students of Grade I participated in the first-month assembly of the year, with a lot of enthusiasm. The assembly

on the topic “WELCOME BACK AND FRESH START” was conducted from 4/04/2022 to 9/04/2021. Special Assembly Presentation on National Pet Day by Grade I

“Animals are sentient, intelligent, perceptive, funny and entertaining. We owe them a duty of care as we do to children.”

— Michael Morpurgo

National pet day is celebrated every year on the 11th April. People love pets as they are some of the most excellent companions they can have. Pets make living each day better. However, for the animals who don't have homes, many people don't realize the benefits of adopting a pet. Even those animals who are old can become some of the greatest gifts in life. National Pet Day celebrates the joy that pets bring into people's lives and encourages people to help reduce the number of animals in

shelters. Bringing humans and animals together helps make the world a better place.

A special assembly was conducted by Grade 1 on 11th April 2022 on the occasion of National pet day.

Anchoring was done by Ananya. The assembly started with a special prayer followed by school song. A pledge was taken by Jaideep with love and respect and showed devotion to the nation. An enriching and meaningful thought of the Day was taken by Nirvi and word was delivered by Shrihaan. Rishika recited a wonderful poem related to the theme with rhythm and rhyme. Puneeth presented an informative article on National pet day. The mesmerizing dance performance was presented by Nivan and Divyanshi and made all the students spell-bound by their amazing performance. Hrida and Aaniya sang a song. The assembly reverberated with the thunderous applause of the students.

The programme ended with a vote of thanks and finally with the audience and dignitaries rising for the National Anthem.

Special Assembly Presentation on Jallianwala Bagh Massacre by Grade VI

Goliyon ki barish jo barsi thi iss din,
Khoon ki nadi jo bahi thi iss din.
Kaise bhool jaye aaj ke iss din ko,
Hazaron logo ne dum toda tha iss din.
Grade VI students paid Salute to all brave hearts of the Jallianwala Bagh Massacre by presenting a morning assembly.

This day remind us of the sacrifice of the brave people who lost their life in a bloody shoot by British troops. On April 13, 1919, British Indian Army soldiers started shooting at an unarmed crowd of men, women, and children. The meeting was conducted by Ananya Shukla. The Day started with a Prayer, followed by our prestigious school Song. The Pledge was administered with pride by Hasika. The thought of the day was presented by Durga, followed by the word of the day by Laasya which inspired students towards nationalism. Shreyasi recited a beautiful poem that explained the importance of Jallianwala Bagh Day and insisted on giving respect and homage to the people for their sacrifices. The article was presented by Yedire Ashrith. The Facts of Jallianwala Bagh, presented by Shaanyu brought the importance of knowledge; history and helped the students to understand the massacre and the readiness to serve the Nation. Akshara, Maanvi, Shaanyu and Sannidhi presented an informational skit on Jallianwala Bagh Massacre. Nainika, Shreyasi, Durga, Maanvi prepared motivational posters. The students even shared the takeaway from the assembly which helped others to understand the actual love for our country India.

Assembly incharges Ms. Samatha & Ms. Jyoti Motivated the students to remember the sacrifices made by the people, the fruits of which we are enjoying it today.

Assembly Presentation by Grade II Topic: Health is Wealth

Good health is the freedom of sickness and diseases, and it is the feeling of physical, mental, and social well-being of a person. If one maintains good health, he/she is blessed with the most precious gift in life. Living a happy life, and being rich are not so important. Good health can be achieved by anyone through continuous efforts.

The students of Grade II conducted the morning assembly on the topic "Health is Wealth" from 11th to 13th April 2022. Different days of the week

were allotted to each student to present in the assembly. The day started enthusiastically with prayer followed by a school song. Anchoring was led by Geetha Manasa, M. Tanush, Ara Krishna; Pledge was administered by Advait Challa, Satya Swarith, Navya Sharma; followed by an enriching thought by Daksh Baid, Tanviha Rao; and to enhance the vocabulary, the word for the day was presented by Siva Priya and Karthikeya. Through enriching thoughts and new word meanings, the students understood the significance of "Health is Wealth." To maintain proper health, we should practice a disciplined life from morning till evening. We should get up early in the morning, go for a morning walk or do some exercises, breathe some fresh air, get fresh, maintain proper hygiene and eat food at the right time. Laughing is also the best medium to keep ourselves happy and healthy. It helps to be happy by overcoming anger and fear and makes one enjoy life to its fullest.

Assembly Presentation by Grade VIII Topic: Health is Wealth

"Early to bed and early rise makes a man Healthy, wealthy and wise"

-Swami Vivekananda

'Health is wealth' is a world-famous proverb concerning health. A healthy body is defined as the overall ability of the body to function well. It includes the physical, mental, emotional, and social health of all individuals. When maintaining health, it depends on multiple factors such as drinking water regularly, exercising, eating healthy foods, sleeping on time, etc. To

inculcate this basic value of happiness and bliss of having a healthy mind and body students of grade VIII conducted an assembly on the topic "Health is wealth" the 11th and 12th of April!

The assembly began with a showcase of great devotion to the almighty God followed by the School Song of our esteemed institution! Kaushik and Vaibhav the anchors have arisen a great zeal and enthusiasm amongst the students. Pledge means a bond to fulfill our duties so Gurudatta and Gokshetra came and lead the students by administering the pledge of our country which indeed brought an affirmation to respect and honour the people and diversity of India. It is always great to learn new things every day. Hanisha and Ananya. C shared new words related to the topic. To inspire students to be fit and healthy Karthik and Santosh came up with insightful thoughts which kept the minds of the students healthy. As We need to possess the knowledge of what is happening in our surroundings and stay up to date with the news, Sahasresh and Ananya Nair had briefed all of us on the latest headlines. An amazing article on how to keep ourselves healthy and fit, how is it a greatest treasure and uncountable wealth inspired us minds were shared by Adesh. Sahiti recited a sweet and healthy poem on the topic and led all the students in harmony. Students finally concluded the assembly with the strong and heartfelt National Anthem of India.

CCA-Siblings are best friends for Grade I to III

"Our parents made us siblings, but we choose to be best friends"

The young kids love listening and narrating stories. So, to render the children a better perspective on life, the storytelling activity was conducted as a part of C.C.A for Classes II & III on 19th April 2022, on the topic "Siblings are Best Friends". It was a great way to motivate & encourage the students to present their stories which is truly a special sibling bond that is undeniable.

Students have participated more enthusiastically to acknowledge and appreciate their brothers/sisters by sharing their most enjoyable and sweet memories, sometimes the memories of Tom & Jerry's fights. The storytelling activity helped the students to improvise their listening skills, sharpen their memory, ameliorate their communication skills, develop their confidence levels, and also encourage all the other students present there. The participants were appreciated by the judges for their active participation in narrating the stories about their siblings which often inspired the budding minds of their friends and even motivated them to achieve what the fantastical character in the story did.

The objective of this storytelling activity was to make the students understand feelings about things like trust, compassion, and empathy, flourish emotions, and even strengthen the bond between siblings. The storytelling activity culminated with words of encouragement and appreciation from the judges and overall, it was truly a memorable activity.

It is a day for building up awareness that it is not a day to not only celebrate our love of the natural world but to acknowledge our duty to take care of and protect it.

Elocution Competition- Go Green breathe Clean for Grade VIII to X

The Art of Public Speaking is the act of giving power to words – to influence, inspire and transform lives as it was done at the Elocution Competition for grades VIII to X at Jain Heritage a Cambridge School on Friday, 22nd April on World Earth Day, to express our gratitude to Mother Earth by taking care of it; protecting it and making it a healthier and greener place to live." This Elocution Competition gave students a good opportunity to combat with the biggest fear factor i.e., stage fear. Although the competition was held online, the students had to prepare

just like they would have in a normal school setting. The Young children were given an opportunity to talk on the topic – "GO GREEN AND BREATHE CLEAN which was designed carefully, to help students research and add their thoughts to make the speech effective and powerful. Our Judges admitted having a great time hearing the children speak so well but also a tough time judging on who could win. All in all, this Elocution Competition on Friday morning was full of excitement, cheer, a little bit of nervousness, but a great stage for children to speak up and let their voices be heard.

CLASS PARTY

A happy memory is a hiding place for forgotten treasures. Children are excited about new and different things, including fun party activities and healthy snacks. providing healthy classroom celebrations demonstrates a school's commitment to promoting healthy behaviors. It supports the classroom lessons students are learning about health, instead of contradicting them. Healthy celebrations promote positive lifestyle choices to reduce student health risks and improve learning. There should

be a friendly relationship between every student and teacher. If a learner doesn't understand or makes a mistake while learning something, he should connect to tell his teacher without fear. These class parties will develop a good relationship between them. The Class party was conducted in the from grade I to X by the class teachers. Even the subject teacher of the class also visited and participated in the party. The class party was conducted very beautifully, excitedly by kids where in many creative game ideas and lots of fun dances energized the atmosphere. The Class party engaged the students and made them have fun in their last online class. All the students had a very healthy meal with everyone! The students shared their type of meal with their classmates and the teachers. The students dressed up very beautifully and danced to many songs. Everyone in the class shared their stories and also spoke about where they are going to spend their summer holidays. All the kids had their lunch and ate some healthy snacks. Overall, the class party had filled every child's heart with zeal and enthusiasm.

Assembly Presentation by Grade III Topic: Culture and Heritage

“Our rich and varied cultural heritage has a profound power to help build our nation.”

- Nelson Mandela

Cultural heritage is the backbone of every nation around the world. The culture was developed naturally in the lives of every human being. It provides individuals with an automatic sense of unity and belonging within a group and allows people to share stories of the past and the history of where we come from. Cultures are not developed over a decade or even a century but require many years of practice to be considered as the tradition and culture of a particular place or a country

The Assembly on the topic “Culture and Heritage” was conducted by Grade III from 18th April - 21st April. It started with the Morning Prayer which was followed by the following

activities: Pledge was administered by Deekshith, Keerthana, Vivaan, and Varun. Enriched thought for the day was given by Anagha, Mythili, Chiranjay, and Mathew to convey a message to everyone that that culture and heritage are an important part of many people’s lives. Words have the power to change us, the word for the day was given by Jayanth, Sanchi, Aarush, and Garima to make everyone learns beyond their books. Students understood that cultural heritage is a glue that binds us together as people. The assembly was conducted smoothly and concluded by an energetic exercise, mindful meditation, and the National Anthem. The assembly concluded with an inspiring quote - “The heritage of the past is the seed that brings forth the harvest of the future.”

Assembly Presentation by Grade VII Topic: Culture and Heritage

Morning assembly is an integral part of the school’s schedule. All the activities carried out in the morning assembly by the school staff and students have a great influence on every point of life. The positive effects of attending school assemblies can be felt throughout life.

Grade VII students conducted the morning assembly on the topic “Culture and Heritage” from 18th April to 22nd April, focusing on traditions and cultures followed in different parts of the world.

The students started their day with a fresh mind by performing meditation. We gained confidence by presenting the different sections of the assembly and utilizing the assembly platform to showcase our skills and abilities.

These activities enriched our vocabulary and inculcated good, positive thoughts in us. We came up with rhythmic poems, insightful thoughts, meaningful and informative articles, and new vocabulary that was shared with all in the assembly.

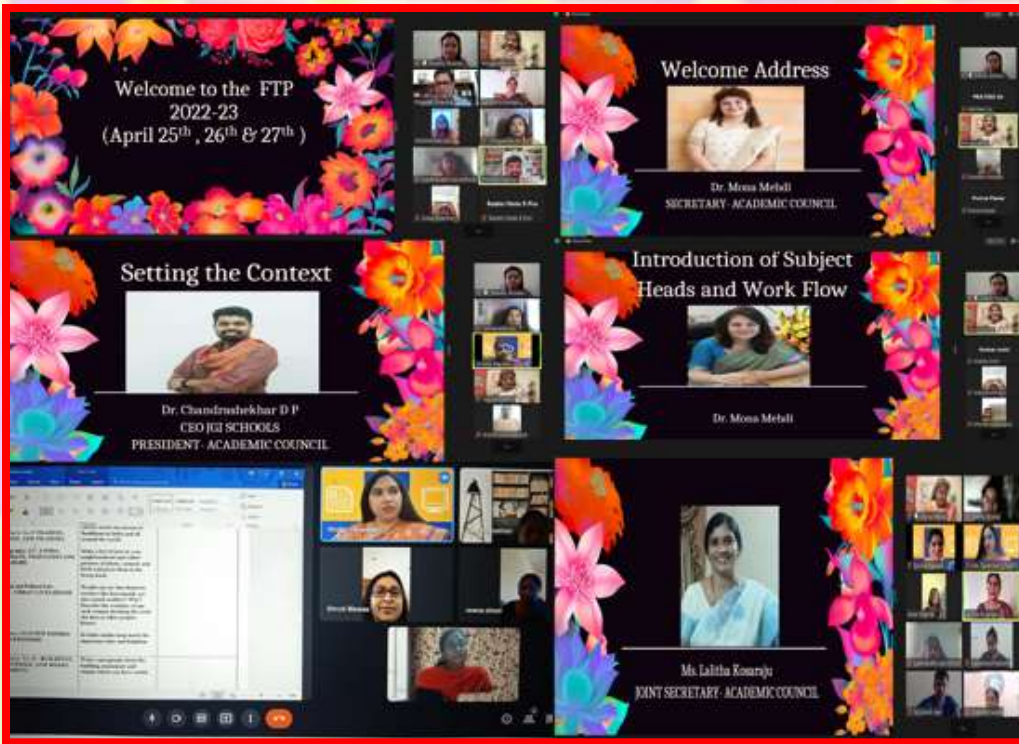

Throughout the week, there was great learning. We all adored and enjoyed several activities conducted during the morning assembly.

Our Alumni Speaks...

When I first joined JHCS KP, I was in 5th grade and I had just moved back to Hyderabad from Nellore. I was only in the school for a year because we moved again. After we moved back to Hyderabad for the second time, I remember asking my parents to enroll me in the school again and when they did, I was finally reunited with my old friends that were just as happy to see me as I was to see them.

The school encouraged us to participate in various curricular and extracurricular activities by hosting them. This helped all of us realize what we were good at and sharpen those skills.

These activities helped me become a lot more confident in myself and think creatively. The frequent trips that we went on for competitions also led me to become more responsible and independent. The school also advocated being environmentally responsible by conducting plantation drives around Kondapur. These drives helped us become environmentally conscious and realize the importance of keeping our surroundings clean and healthy.

My experience with the teachers at school was wonderful and I found them to be very helpful not only with the subjects they taught but also with other problems we had. They were always kind and never hesitated to help a student who was stuck on a certain topic or concept.

I'll never forget the fun I had with my friends and classmates in school.

Whether it was getting into trouble or just enjoying our free periods, we always kept ourselves entertained and helped each other out whenever necessary. The number of people in our class was a lot smaller than in other schools which is why I think we were all able to get along so well and become good friends. One of my fondest memories of school is the time when we went to Nagpur for the Chairman's Championship. Our school didn't win the tournament but we had a great time playing and the trip up there was definitely worth it!

I'll never forget my time in school and will always cherish all of the memories I made there.

In this story, Dr. Chandrashekar led a contingent of 25 students successfully to the Everest base camp. Along with Jaahnavi, who is one of the youngest mountaineers in the world. All the students saw her as an inspiration. Dr. Chandrashekar is a visionary, leader and a motivator. Last but not least, Dr. Krishna Rao, he was a mountaineer himself and he was the main supporting pillar of the contingent.

I thought that this book was really inspirational. The way Chandrashekar Rao sir and Jaahnavi led the 25 students successfully to the base camp is so motivating. This book really teaches us what discipline, dedication and determination actually is. I really wish I was there among those 25 students experiencing this whole

journey. I really liked how there were all these great quotes before every chapter. This book is truly an adventure itself. It's not only inspiring but also tells us to not give up on things even if it is too late to begin. This book overall has a positive tone. It definitely held my interest. I thought this book was really interesting to read and I would definitely recommend this book to anyone and everyone.

My Ratings: 5 out of 5

PLANETS

Who has seen the planets in real?
Neither I nor You
I want to see the planets
I wish you too.

If you don't see the planets in real
See it in your dreams
Feel that you are blessed by God with dreams
Someday you'll get that dream. You have to just wait.

I fell blessed to live on earth
I fell you too.
Do you know planets are real?
If there aren't how could we be real, living on earth

Who has seen the planets in real?
Neither I nor You
I want to see the planets
I wish you too.

Fit India Movement is a nation-wide movement in India to encourage people to remain healthy and fit by including physical activities and sports in their daily lives. Fit India Movement was launched by Prime Minister of India Narendra Modi at Indira Gandhi Stadium in New Delhi on August 29, 2019.

"A healthy man means a healthy family which ultimately leads to a healthy society. This is the only way to a new India." - Narendra Modi
Taking inspiration from this,

teachers and students of grades VI and VII of Jain Heritage A Cambridge School, Kondapur conducted Fit KP Movement on April 7. All the students participated enthusiastically and presented different yoga asanas and other fitness techniques. The edu-

cators, Jyoti Arora and Anunidhi Sharma encouraged the students to bring exercise into their daily routine and devote a minimum of one hour per day to fitness activities such as exercise, yoga, meditation, walking, cycling, aerobics, and dance.
