29 July 2022	CCA Activity –Inter House Group Discussion Topic: Protect the Tigers from Extinction

Quotable quote: "The Journey of thousand miles begins with a single step."

-Lao Tzu

Assembly Presentation by Grade VIII B
Topic: Aspire to Inspire

" Arise, awake and stop not till the goal is reached" by Swami Vivekananda.

To aspire simply means to have a yearning or desire to do something and strive to do it. An aspiring individual is ambitious, hopeful, and enthusiastic. This is the kind of person everyone would like to become and be successful in life. Grade VIII B students conducted the assembly on the theme "Aspire to inspire" from 4th July to 6th July 2022. The assembly was initiated with great zeal and enthusiasm by Antara Vyas and Sakshi Khemka as anchors. The pledge was administered by Bhavit Reddy and Dakshesh. The students shared enriching thoughts for the day which kept us rejuvenated and the word for the day helped us to enhance our vocabulary. A meaningful poem recited by Adesh Eapen Jubin inspired the students. An insightful article on "Aspire to inspire" delivered by Sahasrad Dash helped the students to realize their potential and rise above the ordinary. The assembly brought out the essence that aspires means the thought that pushes everyone to rise higher, accomplish something great and create a positive impact. Aspirations often stem in our minds through inspirations that we draw from seeing others in action; we make them our role models to follow. Students concluded their assembly with the quote by Abdul Kalam:-

"We should not give up and we should not allow the problem to defeat us."

Founder's Day Celebration

“Startups are a source of creativity, vigour, and dynamism.”

- Dr. Chenraj Roychand, Jain University.

On the 7th of July, 2022 the students and teachers of JHCS-KP celebrated ‘Founder’s Day’ to honour the birthday of our beloved founder Dr. Chenraj Roychand. He is a distinguished educationist, entrepreneur, angel investor and philanthropist with over 40 years of experience. His vision to generate a culture of educational excellence has led to the development of numerous successful educational institutions like JAIN (Deemed-to-be-University), Jain Colleges, Jain International Residential School, Jain Heritage Schools, Jain Public Schools, and Jain Toddlers. Students of grade X got a golden opportunity to celebrate this momentous occasion with a special assembly revolving around the accomplishments achieved by our respected chairman. The assembly commenced with the prayer, We prayed to the Almighty for a good and productive day. The prayer was followed by a school song to showcase our school spirit! Students were refreshed with a thought to keep us going throughout the day, and a word which helped us to increase our lexicon. These were then followed by an enlightening article on our esteemed founder. A quiz was conducted to test the knowledge on what students had previously learned in the article. Later, students were caught up on what is going on in the North, East, West, and South with the help of the News Headlines. The stage was lit up with an energetic dance performance by the V graders on “Gallan Goodiyan.” The assembly was finally concluded by singing the National Anthem.

- Arya Rajput and Kartik Dixit - Grade X ‘A’

Assembly Presentation by Grade II Topic: Paper Bag Day

“Avoid plastics and Adopt paper bags.”

World Paper Bag Day is observed on July 12 every year to spread awareness about plastic pollution and encourage the use of environment-friendly alternatives. Use of paper bags, which are easily recyclable, will help reduce plastic waste that takes years to decompose, causing environment pollution.

On this day, people are encouraged to switch over to paper bags and do their bit to prevent plastic pollution. For many, it is believed that paper bags are more environmentally friendly than plastic bags because they are made from a renewable resource, can biodegrade, and are recyclable. Millions of people use paper bags every day. Readily recyclable, paper bags have been around for many years. Not only do we carry our groceries or our lunches in a paper bag, but this highly functional item comes in handy in a surprising number of ways.

On this occasion, the students of Grade II conducted a special assembly on the topic “Paper Bag Day”

The assembly was initiated by Puneeth Kartheek, an anchor with great zeal and enthusiasm. The assembly started with prayer followed by the school song. Pledge was administered by Daksh Baid, an enriching thought was spoken by Virat Challa. To enhance vocabulary, word for the day was shared by Ishitha, an informative article on “History of Paper Bag” was presented by Geetha Manasa, “Significances of Paper Bag” was read by Advait Batchu, and the “Facts on Paper Bag” was revealed by Satya Swarith.

The assembly was finally concluded by singing the National Anthem. Overall, the assembly was very interesting, informative and thought provoking.

Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes, and having fun. To boost these creative skills, the students with full zeal and enthusiasm made different sized paper bags with different colors and shapes, using newspapers, charts, colour papers, and other required materials. The students were made aware that, paper grocery bags are made from recycled paper, which is gathered and processed in a recycling paper mill. In rare cases, the paper is created from fresh paper pulp, which is essentially thin shavings of wood from trees. A paper bag is a bag made of paper, usually craft paper.

Assembly Presentation By Grade I-X Topic: Guru Purnima

"Teachers can change lives with the right mix of chalk and challenges." - Joyce Meyer

Celebrated as a festival by Hindus, Jains and Buddhists in India, Nepal and Bhutan, Guru Purnima is dedicated to all academic and spiritual gurus or teachers. Traditionally, Guru Purnima has been celebrated by Buddhists to commemorate Gautam Buddha's first sermon to his first five disciples in Uttar Pradesh's Sarnath however, Hindus and Jains also celebrate this festival to revere their teachers. The term 'Gu' in Guru stands for darkness, and 'Ru' means removal of darkness thus, a guru is someone who removes all darkness from our lives.

On the 13th of July, 2022 the students of JHCS-KP conducted a special assembly on the beautiful occasion of - "Guru Purnima". The assembly began with the students praying to the lord almighty for a productive day ahead. The prayer was later followed by the school song, showing our pride towards our school. Then followed was the pledge which was taken with loyalty and reverence towards our nation. After which, a fresh and illuminating thought was conveyed. Students were also presented with a succinct new word, which significantly elevated their vocabulary. Later, students were enlightened with an erudite and riveting article, which informed us about the significance of this occasion and the history behind it. The article was followed by a poem that stayed with us throughout the day. It was a very exemplary and alluring way to begin and bring high moral value to our mornings. We were then presented with the news headlines to keep us update on the current affairs. To the end of the assembly, we all proceeded to relax with a meditation guide which was accompanied by remedial background music. And, finally, the assembly culminated with the national anthem. Overall, the assembly was well executed and helped educate the students and teach them about the value of teachers because teachers are our biggest heroes.

Assembly Presentation By Grade X Topic: Anti Bullying

कुछ नहीं मिलेगा यूँ डराने धमकाने से

मंजिल मिलती है सिर्फ मेहनत और लगन से

गणतंत्र अधिनियम 10627 या 2013 के एंटी-बुलिंगएक्ट को 6 सितंबर, 2013 को पूर्वराष्ट्रपति बेनिग्नोएक्विनो द्वारा कानून में हस्ताक्षरित किया गया था। कानून में देश के सभी प्राथमिक और माध्यमिक विद्यालयों को बदमाशी विरोधी सप्ताह हर किसी को धमकाने के खिलाफ कार्रवाई करने और इसे रोकने और जवाब देने के तरीकों पर युवा लोगों का समर्थन करने का अवसर देता है। साथ ही अपनी शक्ति का अच्छे कार्यों में प्रयोग करने के लिए प्रोत्साहित करता है।

इस अवसर पर कक्षा 10 के छात्रों ने अत्यंत जोश एवं उत्साह के साथ नुक्कड़ नाटक प्रस्तुत किया। इस नाटक के माध्यम से छात्रों ने ना सिर्फ बदमाशी को दर्शाया बल्कि उन्होंने बदमाशी करने वाले छात्रों को उनकी गलती का एहसास भी कराया और बताया कि सूझबूझ के साथ काम किया जाए तो किसी का भी मन जीता जा सकता है। इस नाटक के माध्यम से छात्रों ने यह भी संदेश दिया कि हमें हमारी शक्ति का प्रयोग अच्छे कार्यों में करना चाहिए ना की किसी को डराने धमकाने में। छात्रों ने साइबर बुलिंग को दर्शाते हुए संदेश दिया कि हर कार्य की एक सही उम्र होती है। छात्रों ने अपने अभिनय के द्वारा सभी का मन मोह लिया। इस नाटक के अंत में छात्रों ने शपथ ली।

ना हम बुलिंग का शिकार होंगे और ना किसी को होने देंगे,
हम दूसरों को सम्मान देंगे और अपने मान सम्मान की भी रक्षा करेंगे।
अपनी शक्ति का जब सही उपयोग होगा,
तभी देश का विकास होगा।

Assembly Presentation By Grade VII Topic: World Day of International Justice

There is no freedom without justice

– Simon Wiesenthal

World Day for International Justice marks the anniversary of the adoption of the Rome Statute in 1998. The Rome Statute treaty helped in the establishment of the International Criminal Court (ICC). The day aims to raise awareness about the crimes that put peace, security and well-being of the world at risk. The day also promotes victims' rights.

An assembly was conducted by the students of grade VII on 18th July to acknowledge World Day for International Justice. Aarushi and Prithvi hosted the assembly with confidence and zeal. The assembly commenced by praying to the almighty, followed by our esteemed school song. Then, to show respect towards our country we took the pledge with pride with Aayush. Subsequently, we were motivated by listening to a thought shared by Anutara. Mahitha then shared a word which increased our vocabulary. It was followed by an enlightening article by Sai Kruthi. The assembly was finally concluded by singing the National Anthem.

The assembly was informative and had showcased the students zeal and enthusiasm.

Assembly Presentation By Grade V B Topic: Go Green

Save a planet, save a tree, in the end it'll save you and me!

Go green is a day celebrated every year on 25th June. The term "Go Green" seems common place today, but the genesis of its mainstream appeal began when Jill Buck, mother of three, started the 'Go Green' initiative in the year 2002.

Going green means to live life in a way that is friendly to the environment and the earth as a whole. It could also mean contributing towards maintaining the natural ecological balance in the environment, and preserving the planet and its natural systems and resources.

The students of Class V B, of JHCS Kondapur, conducted the assembly on the topic – 'Go Green' from 19th of July to 21st of July with utmost zeal and enthusiasm. The assembly started off with the prayer followed by our inspiring school song. Students took pledge with pride to be responsible citizens. The students emphasised on the importance of 'Going Green' through meaningful words, inspirational thoughts and informative article. The students being the future generation showcased their responsibilities towards the mother nature and its resources. They also requested everybody to utilize the resources with immense care and kindness. Going green is an idea that helps us to reduce our impact on the environment and nature.

Bonalu Celebrations..

The greatness of a culture can be found in its festivals...

Bonalu is a festival which symbolizes the blend of gaiety and culture. The vibrant and unique folk festival 'Bonalu' reflects the Telangana culture. The word 'Bonam' is a contraction of the word 'Bhojanam' which means a meal or a feast in Telugu, and it is an offering to Mother Goddess. Women prepare rice cooked with milk and jaggery in a new Brass or earthen pot adorned with neem leaves, turmeric, vermilion, and lit lamp on the top of the pot. At this time people are encouraged to take bath with turmeric and neem leaves, and plant neem trees on the outskirts as they have medicinal properties.

The students of Grade VI celebrated Bonalu in the morning assembly on 23rd July 2022. The program was initiated by Veekshitha as an anchor with great zeal and enthusiasm. The assembly started with the prayer followed by the school song. Pledge was administered by Shaanyu, an enriching thought was spoken by Laasya. To enhance vocabulary, word for the day was presented by Tejasree, and an enlightening article was presented by Maanvi and Rohitha. Children wore beautiful traditional attires. Sanvi, Nakshtra, Ananya.P, Akshara, Sabiha performed wonderful dance performance. The students participated with full enthusiasm. They made beautiful posters depicting the importance of Bonalu. The efforts of the students were highly appreciated. At last, Padmavathi ma'am explained the students about the importance of Bonalu. The assembly then ended by singing the National Anthem.

Assembly Presentation By Grade V A Topic: Kargil Vijay Diwas

“I am a soldier. I fight where I am told, and I win where I fight.”

Kargil Vijay Diwas is celebrated on 26th of July every year, in honour of the Kargil War Heroes. It is one of the greatest wars fought by the Indian army and has been one of the memorable tragedies across the globe that will always be remembered by every Indian. The Kargil War Heroes showed their bravery and initiated Operation Vijay that led to the victory of Indian Armed Forces. The day is especially dedicated to all brave heroes of Kargil war who lost their lives for the motherland.

In order to tribute the Kargil Heroes, a special assembly on ‘Kargil Vijay Diwas’ was presented by Grade VA students on 26th July, 2022.

The assembly started enthusiastically with prayer followed by school song. With pride, students took oath towards the country. Reyansh was the anchor of the day and has magnificently kept the students motivated throughout the assembly. Enriching thought was spoken by Abubakar. To enhance the vocabulary, word for the day was shared by Varsha. An informative article on importance of ‘Kargil Vijay Diwas’ was presented by Kunwar, and Virat has conducted an enlightening quiz. In the honour of Kargil Heroes, a heart touching patriotic dance on the song ‘Meri Mitti’ was marvellously performed by Sai Aadya, Veda, Kyra, Poojitha, and Devishi. The news was read by Jeevana Sruthi to keep everyone updated with what’s currently going on in the country. Dr. Mona Mehdi, Principal JHCS KP, appreciated the students with her kind words. The assembly was then concluded with the National Anthem sung by all.

Overall, it was a well-planned assembly that inculcated values of patriotism on the young minds.

Sankara Srivatsa
VA

Assembly Presentation By Grade VI & VII Topic: Go Green

"Someone's sitting in the shade today because someone planted a tree a long time ago."

— Warren Buffett

The students of Grades VI and VII conducted a special assembly on the topic “Go Green” on 27th July 2022. They spoke on topic skillfully through various mediums like- poem, thought, posters, and a nukkad Natak. A Siri, Leshitha, Mayukh Sai and Durga made beautiful posters for the assembly. Rohitha and Mahitha anchored the assembly superbly. Allyson spoke the word for the day. Aarushi articulated a meaningful thought for the day. Lakshita recited a beautiful poem related to the topic “Go Green”. The students presented the Nukkad Natak and the audience was spellbound. Through this skit, they shared useful information about the importance of planting trees.

The attendees were mesmerized by the informative and insightful assembly presentation. Towards the end, Principal Dr Mona Mehdi congratulated the students for actively participating and conducting a wonderful assembly. The students showed their dedication, hard work, teamwork, coordination, and collaboration shown. The dignitaries present in the assembly also applauded the high spirits with which the students presented the assembly and participated wholeheartedly. The special assembly held was a sincere effort by the students of Grade VI and VII to give a deep in sight and take a pledge to plant trees.

Prithvi Raj Paul

Assembly Presentation By Grade VIII A Topic: World Nature Conservation Day

"Natural resources are the reason why human race is alive and thriving"

The World Nature Conservation Day is celebrated on 28 July annually across the world. The day recognises that a healthy environment is a key foundation for a stable and strong society. Students of grade VIII A, conducted special assembly to celebrate World Nature Conservation Day on 28th July. Through the assembly students emphasised on the dire need of preserving the natural resources (soil, water, trees, plants, etc.) and using them wisely so that they are available for the future generations as well.

The assembly began with an invocation to god, followed by school song, thought, word, article which emphasised on keeping the various components of nature intact. These include flora & fauna, energy resources, soil water and air .Thereafter, students presented a poem which inspired everyone and had aroused a feeling of responsibility to protect our planet and conserve its natural resources such that they can persist for future generations. Lastly, the students also demonstrated various models on conservative methods and displayed the best practices that helps in making our environment pollution free, like - save and plant more trees, less or no use of plastic items, proper usage of water, etc. It was an informative assembly that was conducted with an objective of educating students about the importance and value of natural resources.

CCA Activity by Grade I & II Topic: Emoji Drawing

A CCA activity “Emoji drawing ” activity was conducted in Grade 1 and 2 on 27.7.2022. The purpose of conducting the co-curricular activity was not only to blend learning with fun but also to develop confidence in the students by allowing them to show their talent in front of everyone.

An emoji is pictogram logogram, ideogram or smiley embedded in text and used in electronic messages and web pages. Drawing is to engage children in a creative exercise to identify their hopes and dreams of the future. It allows complete self expression and supports their creativity and innovative ideas expressed through art. This allows for learning and growing as artists and this period can also be seen as an investment in future success.

Assembly Presentation By Grade III Topic: International Tiger Day

**Tiger has always inspired us to be strong...
Let us save them to save our planet.**

The students of Grade III, presented a special assembly on “International Tiger Day” on 29th July, 2022 to create public awareness about tiger conservation and our national animal. The aim of the day is to help promote a worldwide system whereby we are dedicated to protecting tigers and their natural habitats.

The day started enthusiastically with prayer followed by the school song with full gusto. A pledge is a gentle reminder that helps us to recollect and fulfill our fundamental duties and responsibilities, pledge was administered by Karthikeya. The assembly anchoring was done by Pujitha. The enlightening thought of the day was expressed by Aaishani. You can't build up vocabulary if you never meet any new words. The word for the day was presented by Vivaan .A poem on tigers was recited by Khushi. The students participated in the assembly with great enthusiasm and briefed the other students about the importance of the day. Finally, the assembly was concluded by the national anthem with pride and patriotism in the veins.

CCA Activity –Inter House Group Discussion Topic: Protect the Tigers from Extinction

**“It is not part of a true culture to tame tigers, any more than it is to make sheep ferocious.”
— Henry David Thoreau**

On the 29th of July, 2022 the students of JHCS-KP celebrated the occasion of ‘International Tiger Day’ by participating in an inter-house group discussion. The group discussion consisted of 5 participants, one from each class ranging from grades VIII-X, of their respective houses — Aaditya, Ashoka, Ananth and Abhay. The discussion commenced with Ashoka and Aditya house who discussed the subject of tigers — breeds, extinction and fun facts. It was a lively discussion that taught both the students and the teachers a large amount of new information about the largest cat species in the world. The discussion then continued with Abhay and Ananth house who discussed the rapid endangerment of tigers and ways that our country can work towards saving the tigers from total extinction which helped educate the fellow students about ways they can help our majestic national animal. This session was quite riveting and enlightening with the quick back and forth of questions and answers, debating over how this apex predator can be protected but furthermore the jovial nature of all the participants and their ability to interact with and pull the audience into their words was what made this occasion even more educational and entertaining.

Our Alumni Speaks...

Metaverse & It's influence in the Apparel Universe

Metaverse is the brand-new virtual buzz in the industry which is backed up graphically as well as technically. The word was unfamiliar to many of the people and absorbed much focus when the renowned social media platform Facebook's founder, Mark Zuckerberg changed the company's name to "Meta" which was adapted from the word "Metaverse". In uncomplicated words, it is basically a 3-Dimensional universe comprising various other virtual spaces where you can meet, work, play, and socialize altogether in this space itself. It is still in the building phase and not completely developed. An example of a metaverse could be a popular name – Decentraland which is an online virtual world that comprises cryptos, NFTs, and real state as well. Here the NFTs are used as a kind of collectible and the users can also buy a certain area of land using the cryptos.

Fashion in the Metaverse: Fashion is all about fantasy and a platform like this, where one can experiment with their fantasies without any impedance, could become a massive art as there are clothing ideas that are not viable in physical reality but anything is possible in imagination and anything that can be imagined can be made digitally. The designers are coming up with very futuristic and offbeat designs. Moreover, people who are alacritous about digital fashion claim it to be a sustainable step.

My Time @JHCS KP: Studying at Jain Heritage school was one of the rarest experiences of my life where digital classrooms combined with various extra-curricular activities really ensured a holistic development of my personality. I have travelled a lot throughout the country during my entire schooling, and I must say that it was one of the best in all the terms.

View the Review!

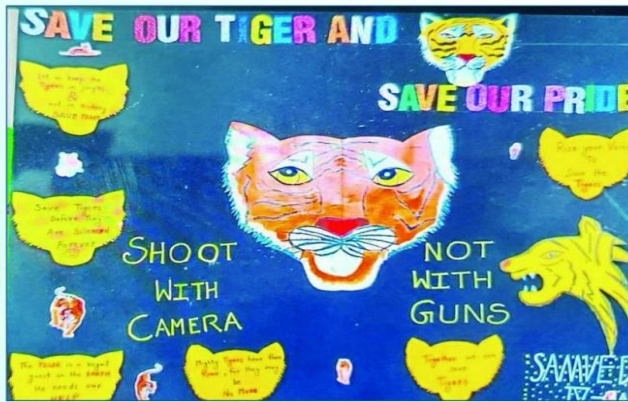

One More Step: Book Review Dr Chandrashekha's "One More Step" is about his journey with the world's largest contingent of students to the Everest base camp. Chandra, a CEO, is inspired with the discipline, dedication and determination of a large mountain, when he tries to imbibe those qualities in his students, he ends up creating a world record.

In this book he talks about how he made Jaahnavi, how he convinced the parents of the students and all the ups and downs faced by him and his team. Dr. Chandra asked Dr. Krishna Rao, Jaahnavi's father, a mental health doctor by profession and mountaineer by passion, to prepare a fitness test to sort out the apt students for the trek. The youngest trekkers in the group were P Samya, a 7 year old boy and Krisha Kapoor a nine year old girl. The trek was 2 weeks long, it started and ended at the Rajiv Gandhi International Airport, Hyderabad. The book is about the process, hard work and the efforts it takes, not just to climb a mountain but to achieve any goal, whether it is big or small. I would give the book a rating of five stars. because it was a great learning experience for me. It's a journey of students who not only learnt the values of discipline, dedication and determination but imbibed them in their life. The book clearly says "it is not the mountains we conquer but ourselves".

SAVE TIGER: SAMVED, class IV, Jain Heritage A Cambridge School, Kondapur

MY LITTLE FAN!

Do know how does a fan work like?
Do you know mainly where is a fan located?
If you want to know then read this poem!

My little Fan!, My little Fan!
It keeps hanging below the wall
It never comes down, and amazes me.

You keep on rotating when switched on
You never take a rest.
To take a speed test.
Because you are the best

My Fan has three wings.
And turns around to take a ring.
My fan is in the hall,
And below the wall.

My little Fan!
My little Fan!
You never take a rest
You are the best.

HANISHA DAVULURI, class VIII, Jain Heritage A Cambridge School, Kondapur

IF I WERE A NEWSPAPER

If I were a newspaper, I would share useful information with people. I would be used all around the world. I

would have many brain games. I would have news about sports, food, schools and the weather. I would be used by children, adults and senior citizens. I would even give information about the past and future. I would have stories of famous people printed on me like Neeraj Chopra, PV Sindhu, Sachin

Tendulkar, Narendra Modi, etc. I would also tell them about the world events. I would have cartoon illustrations, quizzes and facts about the world. People would gain knowledge, improve their vocabulary and enhance their communication skills by reading me.

ALLYSON LYNSEER PASSAH, class VI-B, Jain Heritage A Cambridge School, Kondapur

IF I WERE A PEN

If I were a pen, any kind of pen - the gel, roller ball, fountain pen, ball pen, etc., I would like to be in the hand of a person who has beautiful handwriting. I would never run out of ink when a person is writing something. I would like to be a blue inked pen. I would love to have my friend, of course, a refill, with me. A lot of people love my enemy, which is the black pen. I would like to be in different colours like - Blue, Red, Green, etc., but not in black.

Nowadays people have advanced technology and have stopped using

pens. I would like it if the advanced technology disappeared. I would like to have a superpower -- if a human tries to break me, I would remain intact. I would like to have a voice through which I could speak to the person so that if he makes a mistake, I'll be there to inform him before the teacher checks the content. I would like to have a sweet voice. I would also like to have another friend, a pouch that would be my home.
