### Assembly Presentation By Grade VI B Topic: Discoveries and Inventions

“To understand is to invent .”

— Jean Piaget

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted in their moral values, and unleash their vitality. The students of Grade VI B conducted the morning assembly on 1st September, 2022. The topic of the assembly was “Discoveries and Inventions”. The assembly commenced with the Morning Prayer and school song. The pledge was administered by Nathan. Leshita articulated the insightful thought for the day. Learning new words in English helps us in multiple ways. It eases the usage of expression and brings clarity to communication. It enhances our vocabulary. Word for the day was spoken by Nainika. Word was explained with the help of a sentence. Vallabha, Siri A and Lakshita threw more light on the topic by speaking on this informative topic. The students understood that scientific discoveries and inventions have made our lives easier and more comfortable than we could have ever imagined. Scientific equipment accomplishes lengthy tasks in just minutes. It was a pleasure to see the students performing so confidently and joyfully. Indeed, it was a special start to a delightful day! The assembly concluded with the National Anthem.

## Assembly Presentation By Grade V B Topic: World Coconut Day

**Coconut is a gift of nature for healthy life, it's known as fruit of life.**

Every year, World Coconut Day is celebrated on 2nd September in major coconut-producing countries, including India. This special day was initiated by the Asian and Pacific Coconut Community, headquartered in Jakarta, Jakarta. This day aims to raise awareness about the use and benefits of coconuts across various industries. The day is about coconut as a nutritious fruit, a crucial raw material and a significant crop.

India also observes this celebration every year to commemorate the benefits of Coconuts and the people who produce them. India is among the top coconut-producing nations in the world, with states like Karnataka, Kerala, Tamil Nadu, and Andhra Pradesh being the leading contributors.

The students of Grade V B, of JHCS Kondapur, conducted a special assembly on the occasion of "World Coconut Day." Sritej with confidence and clarity of words proved to be an amazing anchor. The pledge was taken by Bhavesh with utmost sincerity. The importance of the day was very well explained. Thought, word and article by Anirudh, Aditi B and Sargam was very well presented. The students encouraged us to plant more coconut trees so that we can enjoy the greatness of this wonderful fruit. The assembly was then concluded by singing the National Anthem.

# Teachers Day Celebrations...

**“It is the supreme art of the teacher to awaken joy in creative expression and knowledge. One who does it well makes the difference in a child’s view of the world.”**

Teachers Day was celebrated in JHCS Kondapur with great enthusiasm and zeal. The special assembly was hosted by senior students with various events, which made for the day’s bright start. The students of Grade IX and X took up the initiative of helping out our ever-so-hardworking teachers by taking their places for a day. The student-teachers for the day truly understood all the hardships faced by the teachers on a daily basis which helped them broaden the horizons of their mind and allowed them to appreciate our teachers even more. Not only that, the students prepared musical games, songs, and dances to entertain the teachers on this special day. Over the course of the day, the teachers actively participated in various games such as — a throwball match in the sports ground, guess Who (with childhood pictures of the teachers), Kaun Nahi Banega Crorepati and a ramp walk to end the occasion. The effort put into the sublime execution of this event was no lesser than of the highest quality and we must say we owe all of it, our work ethic, discipline and gratitude to our beloved Principal, Dr. Mona Mehdi who actively encourages us to give our best into every task we take up, each day. Not only did she play a fairly big hand in allowing the student-teachers to properly execute the discipline in the school but in turn also helped the students to be creatively engaged by new ways of learning. As a whole, the day was well executed and helped educate the students and teach them about the priceless value of teachers because after all, teachers are our biggest heroes.

## Assembly Presentation By Grade X A Topic: World Literacy Day

**“Literacy and education, learning and adaptation are very important for an individual to grow, for a country to progress”**

World Literacy day is observed every year on September 8 to promote reading as means of empowering both people and entire communities. A glorious assembly was conducted by grade X on the topic “World Literacy Day” on 8th September.

The assembly was instigated by enthusiastic anchoring by P. Nitin. The students commenced the assembly with the prayer, followed by the school song. They showed their respect for the nation by taking the National Pledge. Students were motivated by an inspirational thought of the day. They build on their vocabulary with a new word. A creative monologue enlightened the students about the need of being informed and educated. The monologue comprised of conversation that arose between a father and son when the latter asked a very intriguing question - “What is the use of education?”. His father explained to him that we would only be able to enjoy the true beauty of nature only when we know about it. Moreover, we would not be able to progress as a civilization unless we knew about the past and the mistakes we had committed.

The assembly was concluded by singing the Indian National Anthem as patriotic citizens. The assembly was informative and was carried out flawlessly.

## Assembly Presentation By Grade VI A Topic: Teachers -Ladder of Society

**"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."**

**—Solomon Ortiz**

A doctor treats patients, an engineer constructs buildings and machines but a teacher builds the nation. The young students of today are the leaders and the hope for the future of any country. They are the plants in the garden of the nation and teachers are the gardeners. By irrigating the “garden of the nation” and giving direction to the young, teachers lay the foundation for any country. These torch-bearers of the society undoubtedly play an indispensable and immensely important role towards shaping a strong nation. There is no other profession that can supersede the teaching profession. Teachers, therefore, rightly hold a position higher than that held by the almighty in the Indian society. A glorious assembly was conducted by grade VI A students on the topic “Teacher's - Ladder of Society” on 9th September.

The assembly was started enthusiastically by Maanvi Reddy. Prayer is a communion between God and us. The assembly was commenced with the prayer, followed by our prestigious school song. The pledge was administered by Akshara, new word was shared by Laasya. This helps the students to improve their communication skills. An insightful thought shared by Tejashree made all of us to reflect on the topic. An informative article shared on the topic rejuvenated the assembly. The national anthem is the pride of India. The assembly was concluded by singing our national anthem with high spirits. On the whole it was an informative and organised assembly.

**-Ms.Vatsala**

## Assembly Presentation By Grade III A Topic: Mindfulness Day

**"Mindfulness is a way of befriending ourselves and our experience."**

Mindfulness Day is celebrated on 12th September every year. It aims to raise awareness of mindfulness, an important Buddhist practice. Mindfulness is termed as the practice of intentionally bringing one's attention to the current moment experience without any judgment or evaluation. It is a kind of skill that one can develop through meditation or other training, and is important to lighten the burden of this stressful life. The simplest way of observing mindfulness day is by taking a few minutes out of one's lives to be mindful.

The students of Grade IIIA conducted the special assembly on the topic "Mindfulness Day" on 12th September, 2022. The day started enthusiastically with prayer followed by school song. Pledge was administered by Aarini Pandey, an enriching thought shared by Karthikeya Jishnu and to enhance the vocabulary, word was presented by Aishani Batchu. Yashnara Vudutha presented a wonderful article on the topic "mindfulness".

The topic made the students understand the importance of mindfulness in one's life. The assembly was concluded by singing National Anthem.

-Ms.Jyothi

## Assembly Presentation By Grade II A Topic: World First Aid Day

**“Learning first aid today can help you save a life tomorrow.”**

**World First Aid Day** is celebrated every year on the **second Saturday of September**. The day is recognized worldwide to promote the significance of first aid, which is an important fundamental skill, and to create awareness on a global level about how it can save precious lives. The day was introduced first by the **International Federation of Red Cross and Red Crescent Societies (IFRC)**.

World First Aid Day 2022 is celebrated under the theme ‘Lifelong First Aid’

The students of Grade II-A conducted the special assembly on the topic “World First Aid Day” on 13 September 2022.

The assembly was initiated by Daksh Baid as an anchor with great zeal and enthusiasm. Firstly, the prayer was started followed by a school song. Pledge was administered by Sitarama Srivibhavan, an enriching thought was said by Lohitaksha, to enhance the vocabulary the word for the day was presented by Kayal, and an enlightening article was presented by Puneeth Kartheek.

Through enriching thought and the word, the students understood that “First Aid is essential for both adults and children because it can help them prepare for potentially life-threatening circumstances”.

The students celebrated the first aid day by displaying the placards showing the abbreviation of **FIRST AID** and enjoyed learning the importance and the fundamentals of administering first aid in a one-day program.

Overall, the assembly culminated with the most valuable and respectable song, our National Anthem.

-Ms. Shobha

## Hindi Diwas Celebrations...

सोधी सुगंध, मीठी सी भाषा  
गर्व से कहो हिंदी है मेरी भाषा

14 सितंबर 1949 को हिंदी भाषा राजभाषा के रूप में स्वीकार की गई। 14 सितंबर 1953 को हिंदी के प्रचार प्रसार के लिए प्रत्येक वर्ष 14 सितंबर हिंदी दिवस के रूप में मनाने की घोषणा की गई। इसका उद्देश्य हिंदी के प्रति लोगों को आकर्षित करना तथा हिंदी भाषा का प्रचार प्रसार करना था।

इस अवसर पर कक्षा दसवीं एवं नौवीं के छात्रों ने विशेष प्रार्थना सभा का आयोजन बड़े उत्साह एवं रोचक पूर्ण ढंग से किया। इस सभा का बखूबी संचालन समन्वया द्वारा किया गया। श्रेयसी ने अपने साथियों को कर्तव्यनिष्ठ बनाने हेतु प्रतिज्ञा दिलवाई। ऐन्सी ने सुविचार द्वारा सकारात्मक ऊर्जा का संचार किया। हिंदी दिवस के बारे में अतिरिक्त जानकारी एक प्यारे से लेख के माध्यम से दर्शील ने दी। 'हिंदी के मुहावरे, बड़े ही बावरे' हास्य कविता आर्या के द्वारा सुनाई गई। इस कविता के द्वारा छात्रों को ना सिर्फ आनंद की प्राप्ति हुई बल्कि उन्होंने बहुत सारे नए मुहावरे भी सीखें। अंत में अरुणिमा, श्रेयसी और पोशिका ने अपने मधुर स्वर द्वारा अत्यंत सुंदर गीत प्रस्तुत कर सभी को मुग्ध कर दिया। कार्तिक ने प्याना द्वारा इस गीत में चार चांद लगा दिए।

हिंदी भाषा नहीं--  
भावों की अभिव्यक्ति है,  
यह मातृभूमि पर--  
मर मिटने की भक्ति है,

## Assembly Presentation By Grade VIII A Topic: Self Discipline

**“You can never conquer the mountain. You can only conquer yourself.”**

**–Jim Whittaker**

Self-discipline is the ability to push yourself forward, stay motivated and take any action irrespective of physical or emotional feeling. Self-discipline is useful in every walk of our life. As a student, as a professional, as a teacher, as a mother and every other role that we play in our daily lives, self-discipline is the key to success. To inbuilt the value and significance of self discipline in students, a special assembly was conducted by the students of grade VIII A in French, on 16 September on the topic “Self Discipline”.

The assembly started with the Morning Prayer followed by the school song. Pledge was administered with pride by Vedansh. A magnificent word and instigating thought shared by the students on the topic were really thought provoking. Article that was shared made everyone self introspect. We all were updated on what is happening around through news headlines. Every student enjoyed the presentations, learnt the value of self-discipline, and promised that they all will follow the basic rule of self discipline i.e. “Work while you work and play while you play”.

**To end with, as we say in French “Nous sommes nos choix” (We are our choices).**

**-Ms. Ambali**

## Assembly Presentation By Grade I B & V A Topic: Power of Reading

### “A book has the power to change someone’s life”

Morning assembly undoubtedly holds an important position in a school. It’s the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their budding minds.

We at Jain Heritage a Cambridge School firmly believe in the role of books and the benefits of reading in a student’s life. Keeping the same in mind, Grade I B students presented a morning assembly on the topic “Power of Reading” on 19th September, 2022.

The assembly was initiated by Trishika Munjuluri, an anchor with great zeal and enthusiasm. The assembly commenced with the morning prayer followed by the school song which is believed to provide peace and serenity to our minds and souls. Pledge was administered by S. Deekshitha, and an enriching thought was spoken by Samanyu Josyula. To enhance vocabulary, word for the day was shared by D. Poorvansh. The assembly showcased the importance of taking out time to read and the significance of the habit of reading books in student’s life.

The students of Class V A conducted the assembly Topic “Power of Reading” on 21st and 23rd of September with utmost zeal and enthusiasm. The students emphasised on the importance of Reading through meaningful words, inspirational thoughts and informative article. The students conveyed the message that Reading is one of the best hobbies that one can have. It’s fun to read different types of books. Books are the abundance of knowledge and are the best friends of human beings. They also requested everybody to build this habit of reading books and devote at least 30 minutes daily.

## Dental Health Camp...

**“Smile, it lets your teeth breathe”**

Dental and oral health is an essential part of our overall health and well-being. Poor oral hygiene can lead to dental cavities and gum disease.

Maintaining healthy teeth and gums is a lifelong commitment. The earlier you learn proper oral hygiene habits — such as brushing, flossing, and limiting the sugar intake — the easier it’ll be to avoid costly dental procedures and long-term health issues.

On 20<sup>th</sup> September 2022, Sri Sai Tooth Preservers organised and conducted a free dental health camp at JHCS, Kondapur. The dental camp was conducted for the Teaching, Admin and Support staff. Dr. Kalyani and Dr. Vinay had examined everyone present in the school and gave feedback and tips to improve the oral hygiene.

At 11:00 am, a session was held where they had demonstrated the correct method of brushing and flossing the teeth. They briefed on good oral hygiene practices to be taken care at home on daily basis. Later, they were honoured by the Principal, Dr. Mona Mehdi with a small token of thanks for organizing dental camp for the staff.

**Don't be scared of rabies, be aware of it and act accordingly.**

World Rabies Day was set up in 2007 to raise global awareness about rabies, provide information on how to prevent the disease in at-risk communities, and support advocacy for increased efforts in rabies control. It is held annually on September 28th, with events, media outreach, and other initiatives carried out by individuals, professionals, organizations, and governments from the local to the international level.

Every year we at JHCS KP, organize different programs to raise and promote awareness about the world's deadliest infectious disease to enhance prevention and control efforts.

The students of grade VIII conducted a special assembly on world rabies day on 26th September. Dakshesh as an anchor commenced the assembly with prayer. The Pledge was administered by Sahasresh. The anchor triggered the thought process of the students by beguiling slogans. An evocative word and thought were shared by Hanisha and Maadhur. An enlightening article was presented by Vaibhav on the cause, prevention, and control of rabies. The students understood The theme for World Rabies Day 2022 "One Health, Zero Deaths' ". This theme emphasizes the importance of a healthy being. It sends out the message that the medical facilities all around the world are strong enough to curb the fatality of the deadliest diseases with vaccines, medicines, tools, and technologies to break the cycle of one of the deadliest diseases in the world. Pujitha recited a lovely heartening poem on love for your pets. Students exhibited their posters and slogans to enhance awareness of the prevention and control of rabies. They concluded the assembly by singing the national anthem.

# Dussehra Celebrations...

## **“Festivals attract positivity and repel negativity”**

On the 28th of September 2022, the students of JHCS-KP conducted a special assembly on the auspicious occasion of Dussehra. The assembly commenced with the prayer, where we prayed to the Almighty to bless us with a productive and enjoyable day, in mark of this momentous celebration. The prayer was followed by the school song to showcase our school spirit as always. We were then refreshed with a thought by Vishwajeeth, and a word by Saisahithi which helped us broaden our vocabulary. Then an enlightening article about the significance of Dussehra was shared by Tarun and Vaibhav. This was then followed by multiple enjoyable cultural events such as — melodious songs, a graceful performance on Aigiri Nandini that lit up the stage, a showcase of the traditional Batukamma dance to embrace culture, devotional shlokas, and finally an introduction to the NavaDurgas was performed. Later on, we were caught up on what’s going on in the North, East, West and South with the help of the News Headlines. The assembly was finally concluded by singing the National Anthem.

The assembly educated the students about the importance of Dussehra through not only riveting articles but also cultural performances which was truly enlightening to all.

# DAY 3

**Education is the most powerful weapon which you can use to change the world.**

**-Nelson Mandela**

A three-day Mid Term Faculty Training Program on “Ace the Race” was organized offline at JHCS Kondapur for the staff members of Kondapur & Shamirpet branches. It’s a wonderful initiative taken up by the academic council. The council led by Dr. Chandra Shekar D P President Academic Council, CEO JGI Schools, Secretary Academic Council Dr MS. Mona Mehdi, Joint Secretary Academic Council, Ms. Lalitha Kosaragu designed this FTP with an aim to enhance the academic strength of an individual so that education and knowledge can be passed to students in an authentic manner and to train the teachers who can deliver good academic content to the students.

Day 1 the session began with lightening the lamp followed by the introduction given by Secretary Ms. Mona Mehdi. She emphasized on PITCH Philosophy, Academic Audits, SOP etc which made us comfortable and ready for the Training Program. This was then followed by a meditation led by Sister Arundhati from Brahma Kumari. This had rejuvenated our energy. Our honourable president of Academic Council and CEO of JGI schools, Dr Chandrashekar DP had beautifully set up the context in a hybrid mode. He mentioned on the importance of FTP, how these programs help to grow professionally, its always important to sharpen the swords etc were a few take aways. The next session on “Bloom’s Taxonomy” led by Mentor Dr. K Lakshmi Rao had captivated everyone’s thought. She had stressed on Learning Objectives VS Learning Outcomes, Blooms Taxonomy, Applying Knowledge in a real, Creating a lesson mapping were knitted beautifully and presented to all the educators through activities. “Lesson plan” session post lunch, led by Ms. Kavitha R and Ms. Sangeetha made all the educators to get actively involved in to it.

Day 2 started with a refreshing meditation exercise followed by an eye opener session on “Financial literacy to Financial freedom “by Mr Guru Nadkarni. The session aimed to educate the teachers on simple concepts of personal finance and managing risks. This was followed by a session on “Reading eggs” by Ratna Sagar. Showcasing the books for all ages and e-books and e-practice sheets that were exciting and creative. The day’s most interesting session was “model teaching” which provided opportunity for peer learning. The entire day was full of experiential learning and exchange of ideas.

Day 3 started with a relaxing meditation exercise followed by an interactive “ model teaching” peer learning session .The trainings are incomplete without a session on how to be successful. An insightful and astounding session was conducted by Dr Mona Mehdi , Secretary Academic Council on Professionalism in the workplace , which is a critically important quality for employees to exhibit. The day ended with a valedictory function awarding the teachers for their hardwork . The entire day was full of experiential learning and exchange of ideas.

## View The Review

**“Books are mirrors: you only see in them what you already have inside you.**

This book contains the life of a simple yet determined person.

The book “Wings Of Fire” portrays what kind of a person the missile man of India truly is. The book describes his rise from obscurity alongside his professional struggles. This book contains a very detailed description of how great things can be achieved through simple thoughts. The book is full of insights, personal moments, and life experiences of Dr. APJ Kalam. It gives us an understanding of his journey of success.

This is a story of a boy who was born in a normal and middle-class family who had a passion for aeronautical engineering. He stared failure dead in the eye countless times, but that is what drove his desire to succeed. The author through his life journey evokes the reader to identify one’s inner fire and potential. How he inspired himself to achieve his dream and how he went about accomplishing so much is what the book captures incredibly.

This book conveys various messages and one of them is that we should always dream high, have a clear goal and an impeccable plan. The book contains various anecdotes that carry many moral values that are very important in a human being’s life. One of the things that stands out throughout the book is his optimism. He is a simple, secular and an inspiring humanitarian.

## Alumni Speaks

I joined JHCS KP when I was in my 5th grade.

The rigorous curriculum of JHCS in many ways prepared me to sustain the worst and outshine the best. By rigorous, I'm not talking about just the academic part but activities that lead to a child's overall growth.

Extra-curriculars like Taekwondo, basketball, badminton, trips to Gachibowli stadium for swimming activities, etc. at that age, helped me develop skills like team building and collaboration, leadership skills, problem solving and critical thinking.

Our teachers motivated us to think out of the box and not just be a part of the herd.

One of the best things that I love about this school is its diversity in students which helps us build skills such as cross-cultural communication.

I'm grateful to all my teachers who've been instrumental in my journey and I'll truly cherish the time spent here.

## Spirit of patriotism marks I-Day fete

JHCS Kondapur celebrated Independence Day with great joy and pomp. Principal, Secretary Academic Council Dr. Mona Mehdi, Joint Secretary Academic Council and Centre Manager Jain 'Toddlers' Kondapur Lalitha Kosaraju were the guests of the day.

The staff of Jain Toddlers Kondapur also joined the celebrations. The assembly began with the unfurling of the National Flag.

As a mark of respect to the great freedom fighters, students took the pledge with pride led by Tarun. An inspiring thought was shared by Gurudatta. The word of the day was shared by Vaibhav followed by Rushil presenting a melodious song. Aadesh highlighted the significance of Independence Day.

This was followed by a speech delivered by Jagadatt in Telugu. Students of class V performed a patriotic dance followed by a speech in Hindi by Maanya.

**Ananya Nair, class VIII-A, Jain Heritage A Cambridge School, Kondapur**

Shachita Malhotra, the coordinator, emphasized the importance of proper handling of our National Flag through a pledge. Principal Mona Mehdi emphasized that we should always cherish this freedom and be proud to be a part of an independent nation that has freedom of speech and freedom to live in our own way.

The programme came to an end with a run by the students and staff with the Tricolour.

## Plantation drive conducted on school campus

"Trees are the best monuments that a man can erect to his own memory. They speak his praises without flattery, and they are blessings to children yet unborn."

Students and teachers of JHCS Kondapur participated in a plantation drive recently under the guidance of Principal Dr. Mona Mehdi.

The drive aimed at environment protection, enabled the students to enhance their intellectual, social, personal and emotional growth. The campaign's main aim was to direct students' minds to constructive activities with positive outcomes through the facilitation of contributing to society.

The students brought various saplings including Ashoka, Neem and Tulsi

**Shuchita Malhotra, Coordinator, Jain Heritage A Cambridge School, Kondapur**

and enthusiastically participated in the drive by helping each other plant saplings were planted on the school grounds by students.

Such plantation drives are a necessary, urgent need of the hour as trees protect our environment against air pollution and global warming.

The vibrant festival, Ganesh Chaturthi, was celebrated enthusiastically by the students of Jain Heritage A Cambridge School in the morning assembly on August 30.

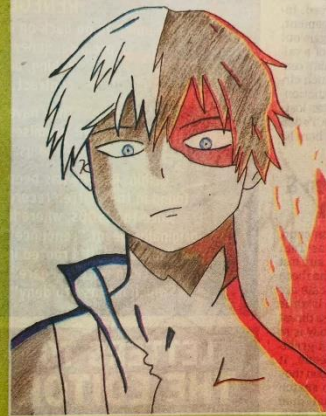

Students made bright and colourful posters on the occasion. The assembly began with invoking the blessings of the Almighty followed by the school song. Siddhahatri anchored the event and the pledge was administered by Mayra. Mokshitha spoke on the significance of the festival and the word of the day was spoken by Ashrit.

**Ragalatha, Telugu Faculty, Jain Heritage A Cambridge School, Kondapur**

A melodious devotional song "Jai Ganesh" was sung by the students of class III. The atmosphere echoed with the hymns and was charged with festive energy.

The students of class IV dressed in traditional attires enacted a skit based on the life of Lord Ganesha. Students of class VI presented a fabulous dance to the song "Jai Ganesh Deva."

The audience was enthralled by the captivating performances of the students. The Principal applauded the efforts of the students and the educators for putting up a great presentation.

## Plethora of events held to cherish Teachers' Day

Teacher's Day was organized with incredible gusto and zeal by the students of Jain Heritage A Cambridge School, Kondapur.

The day began with the morning assembly in which the students dressed up as teachers and enacted their roles. The students of classes IX and X had several surprises planned for the whole day. A volleyball match was arranged on the school ground which reminded the teachers of their own school days and made them feel nostalgic. The students arranged a small function to honour all the teachers and make this day a remarkable one.

They organized many scintillating and heart throbbing dances, a skit, many thrilling indoor games, and a melodious heart-touching song per-
