### FROM PRINCIPAL'S DESK

*Education is not just a process of giving knowledge for a future job but a lifelong process which creates an understanding of moral and ethical values to guide one's life in a right path. As a parent, you want the best for your child and we are proud to be working with you to ensure that they are given the right knowledge to face the future challenges. Parents, students and the school authorities are a team and we have to complement each other's efforts.*

*At JHCS, we focus on complete development of our students by involving them in both scholastic & co-scholastic activities. I am sure this will help our children to realize, understand & explore their talents. In order to do this, the parents and the school authorities must work together to inculcate certain values in the students. Children learn a lot of values when they are involved in social cause. Some of these life skills & values cannot be taught in the classroom or at home. JHCS provides enough opportunities for the children to participate in such activities.*

*"If a plant is carefully nurtured by a gardener, it will become good, and produce better fruits." Therefore, children must be given a good training from their earliest childhood. We are here for the same. I am sure that our students of today, tomorrow will carry forward the Motto of love and unity entrusted in their hands at Jain Heritage A Cambridge School Nagpur.*

*"Do the work with intention not because of compulsion." With all my love, best wishes and blessings.*

*Moonika Ratanpari*

*Principal*

# From the Principal's Desk

To my teacher..... With all love and respect.....

On my first step to school, she hugged me gently,

Her cool palms, rubbed my moist hot cheeks  
silently.

My trembling fingers were held in her love laden  
grip,

My petrified feet felt strong

I never tripped.

Her soft sweet voice was a molten chocolate

My fear ran off the huge closed gates.

"It's an amazing world, welcome my dearie"

O that was the day I believed in fairies!

With wings of knowledge and imagination

I could fly,

Explored the knowledge trodden path of life and  
enjoyed.

Whenever I faltered, she was always there,

My victories always celebrated and failures were  
cheered.

I grew with science, history and mathematics

She taught me language, respect and ethics.

Confidence and courage both grew in me and I  
could stand,

In the times of storm and on slippery sand

She was my best pal, those secrets with her I  
shared,

Remained in closet, she loved me and cared.

I voiced out my thoughts and I knew it mattered,

Her patient ear awaited me and the belief never  
shattered.

Days changed to months and months to years

Her silky black curls changed to salt n pepper.

We all set out for a milky way,

Leaving behind the hair those Grey.

She remembers me and my name she can recall,

Silently engraved on her heart's walls.

She still cares about me, I am in her prayer

Her love is unconditional, she is my Teacher....

🌸🌸 Happy Teachers Day 🌸🌸

मैं नमन करती हूँ 🙏🌸 उन सभी गुरुजनों को जिनकी वजह से भारतीयता, संस्कृति, महानता कायम है। शिक्षक के अनेक रूप हैं। सर्वप्रथम मां जिसने जन्म दिया संस्कार दिये। शिक्षक जिसने शिक्षा देकर जीवनयापन करना सिखाया। दोस्तों ने सही गलत एवं कठिनाइयों से उभरना सिखाया। जीवन के हर मोड़ पर शिक्षक हैं जो हमें पग-पग पर शिक्षित करते हैं, पर यह हमारे ऊपर है कि हम कितना ज्ञान अपने जीवन में सही मायने में समाहित करते हैं। हम सब भाग्यशाली हैं कि हम सब ने देवों, गुरुजनों की भूमि भारतवर्ष में जन्म लिया इसलिए हमें इस भूमि एवं गुरुजनों के प्रति कृतज्ञता व्यक्त करनी चाहिए।

मुझे चंद्र पंक्तियां याद आ रही हैं।
