Assembly presentation by

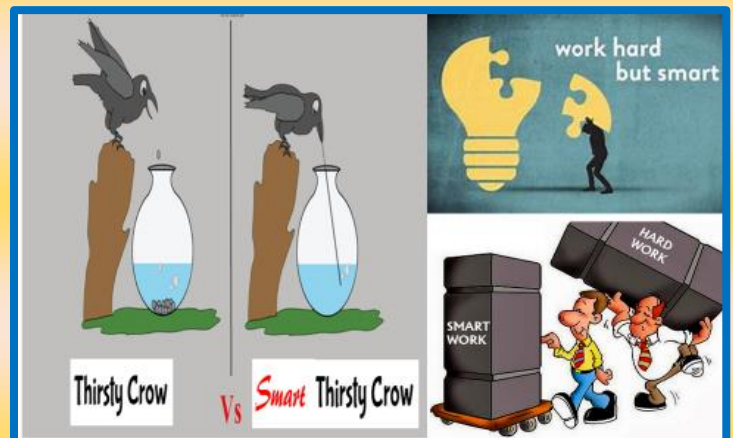

Grade I-X Topic:

“Hardwork and Smartwork”

The students of JHCS, Shamirpet from Grade I – X were given another opportunity to organise a week long assembly from 12th November, 2020 to 21st November 2020 on the theme Hard Work and Smart Work.

Work, in the traditional sense, brings to mind long hours chained to the desk, overtime, and scheduled breaks. Success lies in putting in the hours, the old mantra: ‘work hard and you’ll see the results’ is a popular one, but quite often, if you really look, the results aren’t there to back it up. Smart work is all about efficiency, essentially achieving more in less time, creating systems and processes to enable you to use your time well ‘*We all have the same amount of time each and every single day. What we do with that time is entirely up to us.*’ Each class shared a motivational thought, new word and an article each day which were in sync with the theme of the day. All the students learnt to do hardwork smartly.

Mr. P. Praveen
